Notice to Bidders**

SEALED PROPOSALS consisting of:

**City of Mexico – E Holt Street Improvements Project
Federal Aid Project No. TIDP-4400(310)**

Located along E. Holt Street from Trinity Street to Green Boulevard in the City of Mexico
in Audrain County, Missouri

Bids will be received and opened publicly in the Council Chamber on the 3rd floor at the office of the City of Mexico, 300 N. Coal Street, Mexico, Missouri, 65265 at **3:00 P.M. on Wednesday, February 6, 2019**. Any and all bids received after the time specified above will be returned unopened.

The work is generally described as the reconstruction of approximately 1,460 feet of deteriorated concrete roadway with compacted concrete pavement, and upgrading to ADA compliant sidewalks. In addition, curb and gutter and private driveways will be reconstructed. As well as, reconstruction of portions of the existing storm sewer system within the project limits. The project also involves final grading, seeding, erosion control, traffic control, and final cleanup. All equipment, material and workmanship must be in accordance with the plans, specifications, and contract documents on file with the City of Mexico.

The wage rates applicable to this project have been predetermined as required by law. When Federal wage rates are applicable and included, this contract is subject to the "Work Hours Act of 1962", (P.L. 87-581: 76 Stat. 357) and implementing regulations.

The City of Mexico hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2011 Edition including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and sub-contractors who sign a contract to work on public works projects must provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

CONTRACT DOCUMENTS may be examined at the Mexico City Hall. Drawings, specifications and other related contract information may be viewed & ordered online at <http://planroom.adsmo.net/> or by contacting American Document Solutions, 1400 Forum Blvd, Suite 1C, Columbia, MO 65203, phone (573) 446-7768, fax (573) 355-5433, email orders@adsmo.net for a **Non-refundable** deposit. Checks are payable to **"ADS"** and mailing costs are the responsibility of the purchaser.

Proposals must be on forms provided.

The project will be awarded to the lowest, responsive, responsible bidder.

The DBE Goal for this project is 6% with no trainees.
