

ADDENDUM NO. 2

**2018 Sidewalk Improvements
Federal Project No. TAP-9900(123)
Hamilton, Missouri
January 23, 2019**

Dear Plan Holder:

Please read the following addendum carefully and make certain your bid proposal reflects the following information. Please acknowledge by completing the information at the end of this document and submitting this Addendum with the bid proposal.

1. All Plan Holders shall find enclosed an updated Federal Wage Rates: General Decision No. MO190001, 01/04/2019, MO1, Construction Type: Heavy and Highway, Modification No. 0. The previous wage rates shall be discarded and the wage rates enclosed shall be incorporated into the bid and contract documents.
2. All Plan Holders shall find enclosed a revised Bid Form dated January 2019. The previous Bid Form shall be discarded and the revised Bid Form enclosed shall be incorporated into the bid and contract documents.
3. The Contractor shall be aware of the JCPenny Festival from September 23rd to September 29th. The City of Hamilton has indicated construction activities shall not occur during this time period to accommodate the festival. In the event construction activities are still occurring during this time period, the contractor shall cease work and the contract completion time of 180 calendar days and final completion date shall be adjusted accordingly. The work site shall provide temporary access to all businesses as well as provide protection of pedestrians attending the festival. The City of Hamilton reserves the right to inspect the construction site the day prior to the festival to ensure no conflicts exist for the festival's activities. The Contractor shall include all necessary cost in the Bid Form Line Item No. 1.02 to account for this time period.
4. The Contractor shall coordinate with local businesses to maintain normal operations as construction activities take place in front of shops. The Contractor shall include associated costs for coordination and temporary access in Bid Form Line Item No. 1.02 – Mobilization.
5. Bid Form Line Item No. 2.24 has been updated to clarify the City of Hamilton has previously purchased 3 of the 6 light poles that will need to be installed per the plans. An updated Bid Form is included in this Addendum.
6. Light Pole and underground electric installation clarifications as follows:
 - a. An electric drop from the existing power pole on the northeast corner of the intersection of Davis Street and Berry Street will supply power to the six proposed light poles on the plans. Contractor shall coordinate with Ameren Missouri for electrical drop, removal of existing electrical poles, and connection to

- existing electric pole. Contact for Ameren Missouri is Michael Edwards (Office phone number (816) 629-2838).
- b. The pavement thickness and types in areas of underground electric routes is unknown. Contractor shall include associated cost of cutting through and repairing 8" of concrete and 4" of asphalt or similar sections in Bid Form Line Item No. 2.23 and No. 2.24.
 - c. The Contractor shall include the purchase of three (3) LBOF-1 (Type V) LUMECON LBOF LED Decorative post-top with a three (3") inch diameter, twelve (12'-0") foot LUMECON Decorative aluminum fluted surface mount pole and STREETSCAPE base for three (3") inch diameter pole, 2-piece, clam-shell style SPLIT base or equivalent post-top, pole, and base casting in Bid Form Line Item No. 2.23. The pole and base shall be a black powder coat finish.
 - d. The "Remove existing light pole and replace with new light pole" call out on Sheet 5 shall be supplemented with the following information:
 - i. The replacement light pole should include an exterior, weather resistant, 20 Amp, GFIC outlet in the pole with cover. Contractor shall coordinate this accessory with the manufacturer of the light pole post. The Contractor shall include associated costs in Bid Form Line Item No. 2.23.
 - e. Foundation for light poles per manufacturer's installation recommendations. Foundation design and shop drawings shall be sealed by an engineer registered in the State of Missouri.
 - f. Contractor shall supply all necessary conductors, conduit, junction boxes, and breakers for complete street light installation. Sizing and materials per Ameren Missouri requirements. Contact for Ameren Missouri is Michael Edwards (Office phone number (816)-629-2838). The Contractor shall include associated costs for the electric supplies and installation in Bid Form Line Items No. 2.23 and No. 2.24.
7. The following is to supplement the removal of detectable warnings:
- a. The contractor shall be responsible for, in addition to removal of the detectable warnings, removing the concrete to the nearest saw-cut joint around the detectable warning and replacing with concrete per the sidewalk detail on Sheet 8 of the plans. Replacement sections of concrete shall match existing grades. The Contractor shall include the associated costs for concrete removal and replacement in the corresponding Bid Form Line Items No. 2.03, No. 2.04, and No. 2.05.
8. Bid Form Line Item No. 2.13 has been updated to 6" Thick Stamped Concrete w/ 4" of 1" Rolled Stone Base. An updated Bid Form is included in this Addendum.
9. The following areas detailed on the plans as Landscape Rock or Stamped Concrete shall be bid as concrete sidewalk consisting of 6" thick Class A concrete sidewalk with 4" of 1" rolled stone base. Contractors shall install 1/2" expansion joints between the typical PCC Curb section and 6" concrete sidewalk. Install transverse saw joints at spacing equal to sidewalk section width. For sidewalks wider than 6 feet, install longitudinal saw joint at the centerline of the transverse saw joint spacing equal to one-half the sidewalk width. The 6" concrete sidewalk shall be broom finished and sealed with SpecSilane 20 WB. An updated Bid Form is included in this Addendum.
- a. The two (2) west Landscape Rock area at the intersection of East Bird Street and Davis Street on Sheet 7 of the plans.
 - b. The northeast Stamped Concrete area at the intersection of East McGaughy

Street and Davis Street on Sheet 6 of the plans.

- c. The west Landscape Rock area at the intersection of Berry Street and Davis Street on Sheet 3 of the plans.

10. The following areas detailed on the plans as Landscape Rock shall be bid as 4" Thick Concrete Sidewalk with 4" of 1" rolled stone base. The quantity of Bid Form Line Item No. 2.11 has been revised and an updated Bid Form has been included in this Addendum.

- a. The two (2) east Landscape Rock areas at the intersection of East Bird Street and Davis Street on Sheet 7 of the plans.
- b. The Landscape Rock areas west of the building front with existing awning north of the intersection of Berry Street and Davis Street on Sheet 3 of the plans.
- c. The Landscape Rock area west of proposed detectable warning and crosswalk at the intersection of Berry Street and Davis Street on Sheet 3 of the plans.

11. The following areas detailed on the plans as Landscape Rock shall be bid as 6" Thick Stamped Concrete as detailed on Sheet 8 in the plans. Additional Information regarding Stamped Concrete has been included in this Addendum No. 2. The quantity of Bid Form Line Item No. 2.13 has been revised and an updated Bid Form is included in this Addendum.

- a. The southeast Landscaped Rock area at the intersection of East McGaughy Street and Davis Street on Sheet 5 of the plans.

12. The Stamped Concrete Islands' General Note 2 is incorrect regarding the Stamped Concrete Islands. The correct information is as follows:

- a. Stamp Design shall be Pennsylvania Avenue Herringbone Brick by Butterfield Color or approved equal. The Contractor will be responsible for providing the necessary concrete stamp(s). The stamped concrete shall be tinted Hampshire Red by Butterfield Color Uni-Mix Integral Concrete Colorant or approved equal. The Contractor shall apply an Antique Release, a Traction Additive, and acrylic stamped concrete sealant.
- b. The Contractor shall include the associated costs for the Stamped Concrete in the corresponding Bid Form Line Items No. 2.12.

13. The Contractor shall stripe the ADA Handicap Parking Spaces and Aisles as detailed on the plans. All necessary costs for striping shall be included in Bid Line Item No. 2.21: "Paint for Handicap Spaces and Aisles Striping."

This addendum will be incorporated into the bid information and contract documents.

HEAVY AND HIGHWAY CONSTRUCTION PROJECTS

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.60 for calendar year 2019 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least \$10.60 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2019. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate, if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

=====

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any

solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which

these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor

200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
