

## Long Creek Bridge Improvements

Route 86, Table Rock Lake

### Project Purpose:

Rehabilitate the existing bridge or build a new bridge.

### Traffic Impacts:

Drivers can expect Route 86 to be closed at times. More details on traffic impacts are expected when the best option is chosen.

### Estimated Cost:

\$36 million

### Construction Schedule:

The construction schedule is not yet determined, but the earliest anticipated start is 2022.

### Bridge Facts:

- Bridge was built in 1956.
- Bridge carries 8,611 vehicles a day.
- Current bridge structure and bridge deck in need of frequent repairs.
- Required repairs to the structural support systems are being planned. Route 86 will be closed for a period of 30 days in late spring 2019.
