

## Request for Proposal for Qualifications

Pike Lincoln County Port is seeking consultant engineering services to design a Sanitary Sewer connection between the project site at 11080 Hwy D and a city's sewer system. The design will require options and a recommendation for which type of system should be implemented. These options and recommendation will be presented to the Port Board for evaluation before proceeding to design of the Board's selected system. The project site is anticipated to be used for commercial and industrial development.

Proposals should be received by April 4, 2019 at 4:00 p.m. to the Pike Lincoln County Port Authority office at 914 Main St., Bowling Green or email at [Pikelincolncountyport@yahoo.com](mailto:Pikelincolncountyport@yahoo.com)

The port is funding this design service using State of Missouri funding, as such, the work must be completed by June 15, 2019 to maintain eligibility.

If you have any questions, please feel free to contact our office at 573-324-4297.

Carolyn Wisecarver,  
Executive Director  
Pike Lincoln County Port Authority
