

## ADVERTISEMENT FOR ROAD WORK

### Notice to Contractors

Sealed bids for Ackert Improvements Project TAP-5204(617) will be received by the City of University City in the Administrative Services Department, 1<sup>st</sup> Floor, 6801 Delmar Blvd., University City, MO 63130 until 10:00 o'clock A.M. (Prevailing Local Time) on the 21<sup>st</sup> day of June, 2019, and at that time will be publicly opened and read. All bids shall be submitted in the form of paper copies.

The proposed work includes: improving Ackert Walkway (a walkway path from Delmar Ave to Vernon Ave) with concrete sidewalk repair at isolated locations, removing the old lighting and upgrading to new decorative lighting, providing detailed wayfinding signage, improving pavement marking, improving signage to the designated bicycle route, improving ADA compliant curb ramps and landings, providing new ADA compliant ramps for pedestrians, and other appurtenances.

Plans and specifications may be obtained from Drexel Technologies, 135A Weldon Parkway, Maryland Heights, MO 63043 / [www.drexeltech.com](http://www.drexeltech.com) / 314-872-0900. A non-refundable fee will be charged.

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work of a similar character in this locality as established by the Department of Labor and Industrial Relations (Federal Wage Rate), or state wage rate, whichever is higher.

The City of University City hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.”

All bidders must be on MoDOT’s Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2011 Edition including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and sub-contractors who sign a contract to work on public works project provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

A certified cashier’s check or a bid bond in the amount of 5% shall be submitted with each proposal.

The City of University City reserves the right to reject any or all bids. The project will be awarded to the lowest, responsive, responsible bidder.

The DBE Goal for this project is **12%**.

No second tier subcontracting will be allowed on this project.
