

# Route 65 Widening/Bridge Work

## *Evans Road to Christian County Routes CC/J*

### Project Facts:

- ♦ Widen Route 65 to six lanes — three lanes in each direction — between a point south of Evans Road and Christian County Routes CC/J in Ozark to continue the progress to six lane Route 65 south to Ozark
- ♦ Widen and rehabilitate southbound Route 65 bridge over Farmer Branch south of Evans Road to accommodate new lanes
- ♦ Rehabilitate Evans Road bridge over Route 65

**Construction:** September 2018 until September 2019

**Project Cost:** \$10.2 million

### Traffic Impacts:

- ♦ Nighttime lane closings on Route 65 at times
- ♦ Two lanes open on Route 65 in each direction during daytime hours. Traffic congestion expected on Route 65.
- ♦ Route 65 traffic shifts to accommodate bridge work at Farmer Branch starting in spring 2019
- ♦ Evans Road at Route 65 CLOSED for several months starting in spring 2019
- ♦ Nighttime CLOSINGS of Route 65 at Evans Road for bridge work; during closings Route 65 traffic routed over interchange ramps
- ♦ Route 65 and Evans Road drivers can use ramps at interchange, but cannot cross the bridge during the work
- ♦ Drivers must use Routes CC/J or Battlefield Road interchanges to reach destinations on either side of Evans Road bridge
