

St. Clair County Routes C & ZZ Bridge Rehabilitation Over Truman Lake

East of Lowry City

Project Facts:

- ◆ Remove & replace driving surfaces on both bridges
- ◆ Additionally, deck & joint repair and other maintenance work will be performed
- ◆ Bridges will be CLOSED one at a time
- ◆ The first bridge will reopen before work on second bridge begins
- ◆ Work is expected to take up to four months per bridge

Traffic Impacts:

- ◆ Routes C & ZZ will be CLOSED one at a time
- ◆ Drivers will have access to driveways and field entrances at either end of the bridges, but will not be able to pass through the work zones
- ◆ Drivers urged to use St. Clair County Routes Z and NN to avoid the work zones

Bridge Facts:

- ◆ Route C:
 - ◆ Built 1974
 - ◆ Approximately 432 vehicles per day cross the bridge
 - ◆ Bridge in poor condition, requiring frequent maintenance
- ◆ Route ZZ:
 - ◆ Built 1978
 - ◆ Approximately 296 vehicles per day cross the bridge
 - ◆ Bridge in poor condition, requiring frequent maintenance

Construction: Work could begin as early as Spring 2020

Estimated Total Cost: \$5.7 million
