ADDENDUM NO. 3

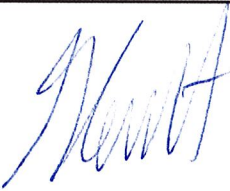

Notice to All Persons and Firms Proposing
to Submit a Bid or Furnish Materials for
Berry Road Sidewalk
St. Louis County Project No. AR-1679
Federal Project No. TAP-5443(601)

The construction contract for this project has been revised as follows:

No. 1

Replace Special Provision No. 700.80.4 "Acceptance of Precast Concrete Members and Panels" with Special Provision No.1200.70.15 "Acceptance of Precast Concrete Box Culvert Sections and Members".

ATTENTION BIDDERS: THE ADDENDUM ACKNOWLEDGEMENT IN THE BID DOCUMENTS MUST BE COMPLETED AND SUBMITTED WITH ALL BID PROPOSALS.

for Joseph W. Kulesa, P.E.
Division Manager, Design

JWK/BJG/dac

Attachments: Special Provision No. 1200.70.15

1200.70.15 ACCEPTANCE OF PRECAST CONCRETE BOX CULVERT SECTIONS AND MEMBERS

- A. Shop drawings shall be submitted for review and approval to the Engineer for precast concrete box culvert sections and other structural members. The approval is expected to cover only the general design features, and in no case shall this approval be considered to cover errors or omissions in the shop drawings. The Engineer has the option of inspecting the precast units during fabrication or requiring the fabricator to furnish a certification of contract compliance and substantiating test reports. In addition, all inspection, acceptance, and reporting methods/procedures shall comply with Sections 733 and 1049 of the Missouri Department of Transportation Engineering Policy Guide.
- B. The Engineer shall verify and document that the dimensions of the precast units were checked at the jobsite and found to comply with the shop drawings.
- C. All submitted shop drawings shall be signed and sealed by a professional engineer licensed in the State of Missouri.
