

NOTICE TO CONTRACTORS

Sealed bids for the 2016 ITS Program – North Central County and 2016 ITS Program – Northeast County projects will be received at the **Office of the Director of Procurement for the County of St. Louis, County Government Center Administration Building, 41 South Central Avenue, 8th Floor, Clayton, Missouri 63105**, until 2:00 p.m. on **August 30, 2017** and at that time will be publicly opened and read.

St. Louis County Project No. AR-1503, Federal Project No. CMAQ -9900(659) consists of the installation of new conduit, fiber optic interconnect cable, and pull boxes along six (6) sections of roadway, replacement of ten (10) existing traffic signal controller units and cabinets with new fiber optic compatible traffic actuated controller units and cabinets, installation of two (2) fiber optic cable termination cabinets, school zone beacon wireless communication equipment (County installed); all within St. Louis County, and other incidental items necessary to complete the above in a workmanlike manner.

St. Louis County Project No. AR-1521, Federal Project No. CMAQ -4900(626) consists of the installation of new conduit, fiber optic interconnect cable, and pull boxes along four (4) sections of roadway, replacement of five (5) existing traffic signal controller units and cabinets with new fiber optic compatible traffic actuated controller units and cabinets, installation of two (2) fiber optic cable termination cabinets, school zone beacon wireless communication equipment (County installed); all within St. Louis County, and other incidental items necessary to complete the above in a workmanlike manner.

The successful Bidder or Bidders shall be required to comply with the most current applicable Federal (Davis-Bacon Act) and State statutory provisions concerning the payment of prevailing wages on public works, Section 290.210 through 290.340 R.S. Mo. 1959, as amended. All contractors must be on the Missouri Department of Transportation's approved contractor listing, seven (7) days prior to bid opening.

Contractors and sub-contractors who sign a contract to work on a public works project shall provide a ten (10) hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

St. Louis County hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

Plans and specifications will be available on **August 7, 2017** from the St. Louis County Web Site (www.stlouisco.com), or by contacting County Blue Reprographics, Inc., 1449 Strassner Drive, St. Louis, Missouri 63144, (314) 961-3800. There will be no refunds on any documents purchased.
