

City of O'Fallon, Missouri
MO Route K Shared Use Path Project-Feise Rd to Technology Dr

Notice to Contractors

Sealed bids for the TAP7302 (660) MO Route K Shared Use Path Project-Feise Rd to Technology Dr, will be received at: 100 North Main St., O'Fallon MO 63366 until 10:00 o'clock A.M. (CDT) on the 25th day of August 2017, at the main front desk of O'Fallon City Hall, and at that time will be publicly opened and read. All bids shall be sealed and submitted utilizing the bid forms provided in the specifications in their entirety.

The proposed work includes: Installation of a shared use path along the MO Route K corridor to connect the segmented sections of the existing path system. This work also includes storm system, retaining wall systems, and landscaping along the project limits.

Plans and specifications may be viewed and purchased from the office of Drexel Technologies at <http://planroom.drexeltech.com>.

A pre-bid conference will be held in the Multi-Purpose room at 2:00 PM on the 16th day of August, at 100 North Main St, O'Fallon MO 63366. **All bidders are encouraged to attend the pre-bid meeting.**

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work of a similar character in this locality as established by the Department of Labor and Industrial Relations (Federal Wage Rate), or state wage rate, whichever is higher.

The City of O'Fallon hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2011 Edition including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and sub-contractors who sign a contract to work on public works project provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

A certified or cashier's check or a bid bond in the amount of 5% shall be submitted with each proposal.

The City of O'Fallon reserves the right to reject any or all bids.

The DBE Goal for this project is 12%.

No 2nd tier subcontracting will be allowed on this project.
