New parking near the bridge approach	13.19% 24	20.33% 37	20.33% 37	20.88% 38	17.03% 31	8.24% 15	3.67
Crossing the roadway at an all-way stop	21.20% 39	17.39% 32	15.76% 29	12.50% 23	16.85% 31	16.30% 30	3.65
Visibility of the greenway from Interstate 44	5.78% 10	2.89% 5	6.94% 12	8.67% 15	23.12% 40	52.60% 91	2.02

- Q13 – Q15: West Bridge Approach Feedback
- Respondents identified the following as preferred amenities to include:
- Water Station
 - Restrooms
 - Lighting, benches, trash cans
 - Wayfinding (trail maps, signage, etc.)
 - Parking
- Respondents also expressed interest in:
- Prioritizing amenities usability over aesthetics
 - Keeping native vegetation
 - To consider increasing patrolling if there is added parking
 - Traffic calming and slower speeds for vehicular traffic
