ISSUE DATE: 10/21/2019

Bidders are hereby notified that the Bidding and Contract Documents for the above project, for which Bids are to be received on November 5, 2019, are amended as follows:

Information to Bidders The following is provided to Bidders for information only:

1. The Design Professional has conducted soil investigations and geotech reports for design purposes only. The geotech reports do not constitute the contractor's investigation of site conditions and was not included with the contract documents. The geotech reports have been requested by bidders and are included with this addenda. The geotech reports are deemed as not suitable for contractor's use, contractor is using them at their risk and the reports are merely suggestive of the nature of the tested material, not representative of entire site conditions. Acknowledgement of this addenda shows acceptance of all risks associated with any use.

NOTE: Bidders must acknowledge receipt of this Addendum by listing the number and date, where provided, on the Bid Form - Document 00410.
