Note: All pavement markings shall require two (2) separate applications with two (2) separate mobilizations.

Contract Time. The owner has established a contract performance time of fourteen (14) calendar days for the project at Mount Vernon, MO from the date of the Notice-to-Proceed. All project work shall be substantially completed within the stated timeframe. This project is subject to liquidated damages as prescribed in the project manual.

The owner has established a contract performance time of **twenty-one (21) total calendar days**; **inclusive of all bid scenarios for the project at Richland**, **MO** from the date of the Notice-to-Proceed. All project work shall be substantially completed within the stated timeframe. This project is subject to liquidated damages as prescribed in the project manual.

The owner has established a contract performance time of **fourteen (14) calendar days for the project at Stockton, MO** from the date of the Notice-to-Proceed. All project work shall be substantially completed within the stated timeframe. This project is subject to liquidated damages as prescribed in the project manual.

The owner has established a contract performance time of **fourteen (14) calendar days for the project at Willow Springs, MO** from the date of the Notice-to-Proceed. All project work shall be substantially completed within the stated timeframe. This project is subject to liquidated damages as prescribed in the project manual.

**Bid Security.** No bid will be considered unless accompanied by a certified check or cashier's check on any bank or trust company insured by the Federal Deposit Insurance Corporation, payable to **City of Mount Vernon** / **City of Richland** / **City of Stockton** / **City of Willow Springs, respectively**, for not less than five (5) percent of the total amount of the bid, or by a bid bond secured by an approved surety or sureties, payable to the owner, for not less than five (5) percent of the total amount of the bid.

**Bonding Requirements**. The successful bidder will be required to furnish separate performance and payment bonds each in an amount equal to 100% of the contract price at the time of contract execution.

Award of Contract. All proposals submitted in accordance with the instructions presented herein will be subject to evaluation. Bids may be held by the City of Mount Vernon / City of Richland / City of Stockton / City of Willow Springs, respectively, for a period not to exceed Sixty (60) Calendar Days from the date of the bid opening for the purpose of conducting the bid evaluation.

Award of contract will be based on the lowest aggregate sum proposal submitted from those bidders that are confirmed as being responsive and responsible. The owner reserves the right to select any one of the combinations of the base bid(s) and alternate bid(s), which in the judgment of the owner, best serves the owner's interest. The right is reserved, as the City of Mount Vernon / City of Richland / City of Stockton / City of Willow Springs, respectively, may require, to reject any bid and all bids.

Award of contract is contingent upon the owner receiving State-funding assistance under the State Aviation Trust Fund.

#### Notice-To-Proceed

It is the intent of the Owners to issue the notice to proceed (NTP) as soon as practical after the Award of Contract.

**State Wage Requirements.** The contractor will be required to comply with the wage and labor requirements and pay minimum wages in accordance with the schedule of wage rates established by the Missouri Division of Labor Standards included in the Supplementary Provisions.

# **Additional Provisions.**

Modification to the project documents may only be made by written addendum by the Owner or Owner's authorized Representative.

The proposal must be made on the forms provided within the bound project manual. Bidders must supply all required information prior to the time of bid opening.
