INTRODUCTION

Section 5311 of Title 49, United States Code herein referred to as 5311, provides operating assistance to public transportation systems in nonurbanized areas. A nonurbanized area is an area outside a city of 50,000 plus inhabitants and its densely settled fringe areas.

Eligible applicants of Section 5311 assistance must be either public bodies or private nonprofit corporations. Private for profit providers of service are eligible through purchase of service agreements with a local public body for the provision of public transportation services.

Section 5311 of Title 49, United States Code provides capital assistance to those systems providing general public services. Capital projects are funded at the ratio of 80 percent federal funds with 20 percent local match required.

This document contains the forms, certifications, and assurances necessary to apply for capital and operating assistance. The State Management Plan and Operator's Manual should also be reviewed for additional information. A copy of this document is available at the address shown below. The State Management Plan can be viewed on MoDOT's web site at the following address:

MoDOT does not discriminate on the basis of race, color, creed, national origin, sex or age, and prohibits discrimination in employment or provision of services.

MoDOT's Commitment to Civil Rights

Title VI of the Civil Rights Act of 1964 is a Federal law that protects individuals and groups from discrimination on the basis of their race, color, and national origin in programs and activities that receive Federal financial assistance. Reference to Title VI includes other civil right provisions of Federal statutes and related authorities to the extent they prohibit discrimination in programs and activities receiving Federal financial assistance.

Title VI compliance is defined as when the recipient has effectively implemented all of the Title VI requirements or can demonstrate that every good faith effort has been made toward achieving this end. MoDOT and all Section 5311 program recipients must meet these requirements.

All programs conducted by MoDOT and the Section 5311 program recipients must meet the requirements. Education, training, work opportunities, benefits, and provision of services are examples of programs that must meet the Title VI requirements, whether provided directly by the recipient or its agents, contractors, or other vendors.

Discrimination is defined as: an act (action or inaction) whether intentional or unintentional, through which a person or group, solely because of race, color, national origin, disability, sex, age or income status, has been otherwise subjected to unequal treatment or impact, under any program or activity receiving Federal financial assistance.

A complaint may be filed by any individual or group that believes they have been subjected to discrimination or retaliation based on their race, color, national origin, sex, age, disability or income status. The complaint may be filed by the affected party or a representative and must be in writing.

Section 5311 program recipients who feel they have been discriminated against by any MoDOT employee or its agent/contractor may contact MoDOT's External Civil Rights Office. A review will be made to determine if MoDOT has jurisdiction to investigate the issues raised. If MoDOT does not have jurisdiction, the complaint will be forwarded to the appropriate agency. If MoDOT does have jurisdiction, the allegations will be investigated and an attempt will be made to resolve the matter. If violations are found and negotiations to correct the violation are unsuccessful, enforcement proceedings may be initiated to attain compliance.

In addition, any individual or group who believes they have been discriminated against by an employee of a Section 5311 program recipient or its agent/contractor should first contact the Section 5311 recipient in writing. MoDOT should also be notified of the complaint within 5 working days.

MoDOT and the Section 5311 program recipients are prohibited from retaliating against any person because they reported an unlawful policy or practice, or made charges, testified, or participated in any complaint action under Title VI. If an individual or group believes they have been retaliated against, they should immediately contact MoDOT's External Civil Rights Office to report their allegation. Filing a complaint with MoDOT does not prevent an individual or group from seeking remedy through other resources.

Complaints should be addressed to:

External Civil Rights/Title VI Coordinator

Jefferson City, MO 65102

RECOMMENDED STEPS IN COMPLETING APPLICATIONS FOR SECTION 5311 ASSISTANCE

The Missouri Department of Transportation requires one complete, correct application by March 1, 2020. All applicants are required to furnish the data requested in this handbook. The Missouri Department of Transportation recommends that the following areas be given first priority as they require substantial time to complete:

Operating/capital budget (See pages 5 and 8-9).

Public hearing process (See page 19).

Authorizing ordinance/resolution from your governing body. (See page 11 or 12).

Legal opinion to determine if any pending legal issue prevents the applicant from submitting an application or carrying out the responsibilities of a Section 5311 grant (See page 13).

All applicants should carefully review the section on holding a public hearing. Failure to schedule a proper public hearing may cause an applicant to have to reschedule another public hearing or delay the project.

The balance of the assurances and exhibits may be completed at the project manager's discretion. Please review your application for completeness prior to submitting to the Missouri Department Of Transportation.

PROJECT SELECTION CRITERIA

The Section 5311 program has a major goal. The program is designed to assist locally supported general public transportation systems. To accomplish this goal, the department has established two categories of direct grantees.

First priority is given to local public bodies because they meet the program's primary objective of offering general public service. Not-for-profit organizations are also allowed to participate in the program if they meet program criteria and have available local matching funds.

Specific application instructions begin on the next page.

Submit a letter from your agency addressed to the Missouri Department of Transportation, c/o Transit, requesting assistance.

EXAMPLE:

Dear Director:

The _____ is applying for a grant of \$_____.00 under Section 5311 of title 49, United States Code, to assist in financing a public transportation project. The applicant affirms that the data shown in this application are true and correct.

Sincerely,

Authorized Official

(Cab coupon projects must also submit a letter requesting Missouri Department of Transportation authorization to begin the bid process)

Even though you may address this letter to the Director of MoDOT, do not send the application to the Director's office. Send it to the Transit Section.
