

## *Republic Area*

### **Safety & Planning Study Facts:**

- Study focused between Missouri Route 360 and Greene County Route P/Main Street in Republic
- Study goals:
  - Preserve or improve safety and traffic flow along the roadway
  - Identify possible future projects depending on available funding
  - Manage access to roadway as business development and residential areas expand
- Study completed by September 2020. Another public meeting to share recommendations.
- Study a partnership between city of Republic, the Ozarks Transportation Organization and MoDOT

### **Corridor Facts:**

- 29,000 vehicles a day
- 9% truck traffic
- 727 crashes from 2014-2018 (494 crashes occurred at signalized intersections)
- Four-lane divided highway with a speed limit ranging from 60 mph to 40 mph
- Regional highway corridor connecting northwest Arkansas with southwest Missouri and beyond
