

INVITATION TO BID

CEDAR COUNTY STUMP FORD BRIDGE REPLACEMENT

Sealed bids for the Proposal for the Construction of Cedar County Bridge #0630001 will be received at: Cedar County, 113 South Street, Stockton, MO 65785, , until 10:00 o'clock A.M. (Prevailing Local Time) on the 6th day of July 2016, at the office of the Cedar County Courthouse, and at that time will be publicly opened and read. All bids shall be submitted as a Hard Copy.

The proposed work includes:

Construction of a three-span slab beam bridge supported on reinforced concrete abutments. Approach roadway work, paving and incidental work in accordance with the plans and specifications. The project is located on County Road 1201 over Cedar Creek in Cedar County, Missouri, Section 30, Township 36N, Range 26W. Total project length is 650 feet.

A digital copy of the plans and specifications may be purchased at the office of the Great River Engineering (GRE), at 2826 S. Ingram Mill, Springfield, MO 65804 upon payment of \$75.00, which is not refundable. All bidders must purchase plans through Great River Engineering, Inc. and be on the planholder list in order to bid the project.

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work of a similar character in this locality as established by the Missouri Department of Labor and Industrial Relations (State Wage Rate).

The Cedar County hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2011 Edition including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and sub-contractors who sign a contract to work on public works projects shall provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

A certified cashier's check or a bid bond in the amount of 5% shall be submitted with each proposal.

The Cedar County reserves the right to reject any or all bids.

The project will be awarded to the lowest, responsive, responsible bidder.

The DBE Goal for this project is 9.00%.

No 2nd tier subcontracting will be allowed on this project.
