BRIDGE NO. 16300091 on WATERMILL ROAD

The proposed work includes: The construction of a new 24'-6" wide x 55' long single span steel girder bridge with a concrete deck, with Type A low height guardrail. Bridge is supported by HP10x42 Structural Steel Piling and concrete abutments. Includes all necessary appurtenances.

LIME AVENUE BRIDGE

The proposed work includes: The construction of a new 24'-6" wide x 60' long single span steel girder bridge with a concrete deck, with Type A low height guardrail. Bridge is supported by HP10x42 Structural Steel Piling and concrete abutments. Includes all necessary appurtenances.

It is the intent of the Marshall Special Road District (MSRD) to receive proposals for the construction of each bridge. The MSRD may award the construction of one bridge or both bridges to a single contractor based on funding availability. In addition to meeting the necessary bidding requirements, the award will be based on the lowest cost option that is priced within the funds allowed for the project. The MSRD reserves the right to reject all bids for any reason.

The award of a single bridge will be based on the total contractor bid for Bridge No. 16300091. The award of both bridges will be based on the sum of the total contractor bid for each bridge.

If both bridges are awarded to a contractor then it will be permissible for the contractor to start & finish one bridge and then proceed to the second bridge. The contractor may also supply 2 crews and work on both projects concurrently. A contractor shall not split one crew/equipment between both bridges. The contractor shall build Br No 16300091 first. The notice to proceed date for the second bridge will be set no later than 80 calendar days after the Notice to Proceed for the first bridge.

Special Needs: If you have special needs addressed by the Americans with Disabilities Act, please notify the Secretary at 660-886-3358 at least 5 working days prior to the bid opening you plan to attend.

The wage rates applicable to this project have been predetermined as required by law and are set forth in the bid proposal. When Federal wage rates are applicable and included, this contract is subject to the "Work Hours Act of 1962" (P.L. 87-581; Stat. 357) and implementing regulations.

Attention of bidders is particularly called to the requirements as to conditions of employment to be observed and minimum wage rates to be paid under the contract, Section 3, Segregated Facility, Section 109, and E.O. 11246

The Marshall Special Road District hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2011 Edition including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening. No bidder may withdraw his bid within 90 days after the actual date of

the opening thereof.

Contractors and subcontractors who sign a contract to work on public works projects must provide a 10-hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

Plans and specifications are on file at the office of the Consulting Engineer, HOWE COMPANY, LLC., 1119 S. MISSOURI ST., SUITE A, MACON, MO. Complete instructions to bidders and proposal blanks may be obtained at the Engineers Office for a **nonrefundable** fee of \$50.00. The plans and specifications will be mailed upon payment of \$25.00 for shipping and handling, for a total of \$75.00 for each set. The shipping and handling charges will be waived if the prospective bidder contacts the Engineer with a valid account number for shipping services with United Parcel Service (UPS), so the shipping cost is billed to the bidder. Hard copies of the bid documents can be ordered by calling 660-395-4693. A PDF version of the bid documents may be obtained from www.buyplans.net for a nonrefundable fee of \$50.00 paid through PAYPAL. Bidders must obtain their bid documents from either Howe Company, LLC., or www.buyplans.net and be plan holders in order to bid the project. All proposals must be on the forms provided in the bid documents.

The right is reserved to reject any or all bids. A certified or cashier's check or a bid bond in the amount of 5% shall be submitted with each proposal. The DBE goal for this project is **0%**. No 2nd tier subcontracting will be allowed on this project.
