

ADDENDA COVER PAGE

The following Addenda have been currently released for this project. Only Addendum #1 is attached to this cover page:

1. Addendum #1, 06/17/15

Please continue to monitor the Drexel Technologies website for additional Addenda, if any, for this project. This cover sheet will reflect additional Addenda and the attachments to this cover page will include any and all current Addenda as they are published.

Note: Contractor is required to acknowledge receipt of all Addenda. Acknowledgement of addenda (addendum number and date of receipt) shall be recorded within the submitted bidder's forms within the sealed envelope, easily visible so they may be recognized and recorded at the bid opening. Failure to acknowledge receipt could result in Contractor not being recommended for award of contract.

Wednesday, June 17, 2015

All addenda and information included in them shall be considered part of the contract documents. Receipt of all addenda for this project shall be shown within the bid submission as described in the specifications. The following are clarifications, revisions of the contract documents and additional information:

Information for Bidders and Specifications

1. Page P-9 should be replaced with the attached revised page P-9.

All bidders must acknowledge receipt of this Addendum. Failure to acknowledge receipt of the Addendum may be cause for rejection of the bid.

ALL BIDDERS MUST SIGN THIS ADDENDUM IN THE SPACE PROVIDED BELOW AND ATTACH IT TO THEIR BID PROPOSAL.

ADDENDUM NO. 1

ACKNOWLEDGED BY: _____

FIRM'S NAME: _____

NOTICE TO CONTRACTORS

Sealed bids, addressed to City of O'Fallon, 100 North Main Street, O'Fallon, MO 63366 for the proposed work will be received by the City of O'Fallon until 10:00am (prevailing local time) on June 23, 2015, at the office of the City of O'Fallon, 100 North Main Street, O'Fallon, MO 63366, and at that time will be publicly opened. Bids should be delivered to City of O'Fallon, 100 North Main Street, O'Fallon, MO 63366.

- (1) **PROPOSED WORK:** The proposed work, hereinafter called the work, includes:

Turn lane additions and traffic signal modifications

(2) **COMPLIANCE WITH CONTRACT PROVISIONS:** The bidder, having examined and being familiar with the local conditions affecting the work, and with the contract, contract documents, including the Missouri Highways and Transportation Commission's "Missouri Standard Specifications for Highway Construction, 2011," and "Missouri Standard Plans for Highway Construction, 2009" (if applicable), their revisions, and the request for bid, including appendices, the special provisions and plans, hereby proposes to furnish all labor, materials, equipment, services, etc., required for the performance and completion of the work. All references are to the Missouri Standard Specifications for Highway Construction, as revised, unless otherwise noted.

The following documents are available on the Missouri Department of Transportation web page at www.modot.mo.gov under "Business with MoDOT" "Standards and Specifications". The effective version shall be determined by the letting date of the project.

General Provisions & Supplemental Specifications

Supplemental Plans to October 2009 Missouri Std. Plans
For Highway Construction (if applicable)

These supplemental bidding documents contain all current revisions to the bound printed versions and have important legal consequences. It shall be conclusively presumed that they are in the bidder's possession, and they have been reviewed and used by the bidder in the preparation of any bid submitted on this project.

Please note that within the above-listed documents, the term "Commission" shall be replaced with the term, City of O'Fallon", and the term "Engineer" is a reference to the Engineer of Record and/or Project Manager from the City of O'Fallon

(3) **PERIOD OF PERFORMANCE:** If the bid is accepted, the bidder agrees that work shall be diligently prosecuted at such rate and in such manner as, in the judgment of the engineer, is necessary for the completion of the work within the time specified as follows in accordance with Sec 108:

Calendar Days: one hundred fifty (150) calendar days

****Calendar days between December 15 and March 15 will not be counted against contract time.****

(4) **LIQUIDATED DAMAGES:** The bidder agrees that, should the bidder fail to complete the work in the time specified or such additional time as may be allowed by the engineer under the contract, the amount of liquidated damages to be recovered in accordance with Sec 108 shall be as follows:

Liquidated damages per day \$900.00 (nine hundred dollars)
