

CITY OF ST. ANN BID NOTICE

The City of St. Ann is currently accepting sealed bids for the mill and overlay of Adie Road and Link Avenue (from St. Charles Rock Rd. south to the City Limits), Federal Aid Project STP 5418 (608). This project shall include approximately 35,000 square yards of cold milling and asphalt overlay with replacement of handicap accessible curb ramps at all intersecting streets with ADA compliant ramps and associated miscellaneous repairs, in St. Ann, Missouri. Sealed bids will be accepted until 10:00 am CST on Wednesday, May 13, 2015 when they will be publicly opened. Bids must be submitted to the Office of the City Clerk, 10405 St. Charles Rock Rd., St. Ann, MO 63074. All bids must be submitted in paper form.

Bid Proposal – City of St. Ann Adie Rd. and Link Ave. Avenue Mill & Overlay

must be marked on the outside of the envelope.

There is a pre-bid meeting scheduled for 10:00 am CST on Monday May 4, 2015 at City Hall, 10405 St Charles Rock Rd., St. Ann, MO 63074. All bidders are encouraged to attend.

Bid packets and plans, in the form of “.pdf” electronic files on a compact disk (CD) will be available at the St. Ann City Hall, City Clerk’s Office, beginning April 20, 2015. When picking up or receiving a bid packet CD, you will be required to provide your name, email address and company information on a bidder’s list record in order to receive official bidding communications and addenda. Communications between the bidders and the City shall be conducted and documented in writing through the use of email communication to markp@paykenconsulting.com. No oral interpretation will be recognized.

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work of a similar character in this locality as established by the Department of Labor and Industrial Relations (Federal Wage Rate), or state wage rate, whichever is higher.

All bidders must be on MoDOT’s Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2011 Edition including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and sub-contractors who sign a contract to work on public works project provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

A certified or cashier's check or a bid bond in the amount of 5% of the total bid amount shall be submitted with each proposal in accordance with the Information for Bidders.

The DBE Goal for this project is **12%**.

No 2nd tier subcontracting will be allowed on this project.

The City of St. Ann reserves the right to reject any or all bids.

The City of St. Ann hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.
