

**ADDENDUM NO. 2**  
**CITY OF ST. ANN, MISSOURI**

***Adie Road/Link Avenue***  
**Federal Project No. STP-5418 (608)**

April 30, 2015

This Addendum shall become part of the construction plans, specifications, and contract documents for the contract noted above. It shall be attached within the cover of the contract documents and acknowledgement of its receipt shall be noted in the space below.

The following changes have been made:

- a) The Bid Bond Form (page 16) and the Informational Checklist (page 6) has been revised to indicate that the Contractor's Bid shall be accompanied by a Bid Bond in the amount of 5% of the Contractor's total bid. The revised Bid Bond Form is attached.
- b) The Notice to Contractors (page 8) and the Informational Checklist (page 6) have been revised to indicate the correct dates for the Pre-Bid meeting (Monday May 4, 2015 at 10:00am) and the Bid Opening (Wednesday May 13 at 10:00 am). The revised Notice to Contractors and Informational Checklist is attached.

All bidders must acknowledge receipt of this Addendum in the space provided below. Failure to acknowledge receipt of the Addendum may be cause for rejection of the bid.

Respectfully Submitted,

Matt Conley  
City Administrator

ALL BIDDERS MUST SIGN THIS ADDENDUM IN THE SPACE PROVIDED BELOW AND ATTACH IT TO THEIR BID PROPOSAL.

ADDENDUM NO. 2

This particular checklist is provided for the Bidder's information only and is not part of the Specifications and Contract Documents. It is not required that this form be submitted with the Bid Proposal. **Subject to MoDOT approval, the City of St. Ann reserves the right to reject any or all bids and to waive any irregularities therein.**

## NOTICE TO CONTRACTORS

Sealed bids, addressed to the City of St Ann, 10405 St Charles Rock Rd, St. Ann, MO 63074 for the proposed work will be received by the St. Ann until 10:00 am CST on Wednesday, May 13, 2015, at the office of the City Clerk, and at that time will be publicly opened. Bids should be delivered to: City of St. Ann, MO 10405 St. Charles Rock Rd., St. Ann, MO 63074.

**(1) PROPOSED WORK:** The proposed work, hereinafter called the work, includes:

This project shall include approximately 35,000 square yards of cold milling and asphalt overlay with replacement of handicap accessible curb ramps at all intersecting streets with ADA compliant ramps and associated miscellaneous curb and gutter repairs

**(2) COMPLIANCE WITH CONTRACT PROVISIONS:** The bidder, having examined and being familiar with the local conditions affecting the work, and with the contract, contract documents, including the Missouri Highways and Transportation Commission's "Missouri Standard Specifications for Highway Construction, 2011," their revisions, and the request for bid, including appendices, the special provisions and plans, hereby proposes to furnish all labor, materials, equipment, services, etc., required for the performance and completion of the work. All references are to the Missouri Standard Specifications for Highway Construction, as revised, unless otherwise noted.

The following documents are available on the Missouri Department of Transportation web page at [www.modot.mo.gov](http://www.modot.mo.gov) under "Business with MoDOT" "Standards and Specifications". The effective version shall be determined by the letting date of the project.

### General Provisions & Supplemental Specifications

These supplemental bidding documents contain all current revisions to the bound printed versions and have important legal consequences. It shall be conclusively presumed that they are in the bidder's possession, and they have been reviewed and used by the bidder in the preparation of any bid submitted on this project.

Please note that within the above-listed documents, the term "Commission" shall be replaced with the term, "City of St. Ann, MO", and the term "Engineer" is a reference to the Engineer of Record from Payken Consulting.

**(3) PERIOD OF PERFORMANCE:** If the bid is accepted, the bidder agrees that work shall be diligently prosecuted at such rate and in such manner as, in the judgment of the engineer, is necessary for the completion of the work within the time specified as follows in accordance with Sec 108:

Calendar Days: **150 calendar days**

Completion Date: **no later than November 1, 2015**

**(4) LIQUIDATED DAMAGES:** The bidder agrees that, should the bidder fail to complete the work in the time specified or such additional time as may be allowed by the

# BID BOND

KNOW ALL PERSONS BY THESE PRESENTS, that we

---

As principal and \_\_\_\_\_  
as surety, are held and firmly bound unto the City of St. Ann, MO in the penal sum of five percent (5%) of the total bid amount \_\_\_\_\_ dollars to be paid to the City, the principal and surety binding themselves, their heirs, executors, administrators, successors, and assigns, jointly and severally, firmly by these presents. Sealed with our seals and dated this \_\_\_\_\_

THE CONDITION OF THIS OBLIGATION is such that:

WHEREAS the principal is submitting herewith a bid to the City for the Adie Road/Link Avenue Mill & Overlay Project in St. Louis County the improvements as set forth in this bid;

NOW THEREFORE, if the City shall accept the bid of the principal and if the principal shall properly execute and deliver to the City the contract, contract bond, and evidence of insurance coverage in compliance with the requirements of the bid, the specifications, and the provisions of section 227.100 RSMo, to the satisfaction of the City, then this obligation shall be void and of no effect, otherwise to remain in full force and effect.

In the event the said principal shall, in the judgment of the City, fail to comply with any requirement as set forth in the preceding paragraph, then the City of St. Ann shall immediately and forthwith be entitled to recover the full penal sum above set out, together with court costs, attorney's fees, and any other expense of recovery.

The principal and surety hereby certify that the document is the original or a verbatim copy of the bid bond form furnished by the City, in accordance with Sec 102.9 of the Missouri Standard Specifications for Highway Construction.
