Road and Bridge Work
Notice to Contractors**

Sealed proposals for IBRD 9900(592)
County Project No. 20-01MAY14, addressed to:
Boone County Purchasing Office
613 East Ash Street
Room 109
Columbia, MO 65201

An endorsed "Proposal" for construction for improving the following project in Boone County, MO will be accepted until 1:15 P.M. (Prevailing Local Time) on the 1st day of May, 2014 at the Boone County Purchasing Office. The bids will be publicly opened and read at 1:30 P.M at the Boone County Commission chambers located at 801 E Walnut, Columbia, MO.

The proposed work involves replacement of a deteriorating bridge on Rustic Road over the North Fork Grindstone Creek in Boone County, Missouri. The project will include construction of a temporary bypass, a geosynthetic reinforced soil-integrated bridge system (GRS-IBS) substructure, a pre-engineered superstructure, and pavement.

A pre-Bid meeting will be held on April 21st, 2014 at 2:00 P.M. at the Boone County Government Building, 801 E. Walnut St. Room 301, Columbia, MO 65201.

The wage rates applicable to this project have been predetermined as required by law. When Federal wage rates are applicable and included, this contract is subject to the "Work Hours Act of 1962", (P.L. 87-581: 76 Stat. 357) and implementing regulations.

Boone County hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2011 Edition including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and sub-contractors who sign a contract to work on public works projects provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

Copies of the contract documents may be obtained from American Document Solutions, 1400 Forum Blvd., Suite 1C, Columbia, Missouri 65203. Phone number: (573) 446-7768. Paper copies are available for a non-refundable fee of \$50.00 (if full size plans are requested) or \$40.00 (if half size plans are requested), payable to American Document Solutions in the form of a check or money order.

Proposals must be on forms provided.

The project will be awarded to the lowest, responsive, responsible bidder.

The DBE Goal for this project is 5% with no trainees.

Derin Campbell
Chief Engineer of Resource Management
