

INVITATION FOR BID NO. DP-5410(621)
Public Works Road Project

Sealed bids for I-170/Ladue Road Interchange Signal and Entrance Improvements DP-5410(621), will be received at: City Hall Public Works Office, 9345 Clayton Road, Ladue Missouri, 63124 until 10:00 o'clock A.M. (Prevailing Local Time) on the 5th day of December, 2013 at the office of the Public Works, 9345 Clayton Road, Ladue, Missouri 63124 , and at that time will be publicly opened and read. All bids shall be submitted in the form of paper bids.

The proposed work includes: the furnishing of materials, tools, equipment and labor necessary to **relocate the existing entrance to 8909 Ladue Road to align with the existing southbound ramp to Interstate 170. This will involve closing the existing entrance to said property and installing new signal equipment to accommodate the new lane configurations at the intersection**

Plans and specifications will be available on November 14th, 2013 and be obtained from Drexel Technologies, 135A Weldon Parkway, Maryland Heights, MO 63043 / www.drexeltech.com / 314-872-0900. A non-refundable fee will be charged.

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work of a similar character in this locality as established by the Department of Labor and Industrial Relations (Federal Wage Rate), or state wage rate, whichever is higher.

The City of Laude hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.”

All bidders must be on MoDOT’s Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2011 Edition including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and sub-contractors who sign a contract to work on public works project provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

A certified or cashier’s check or a bid bond in the amount of 5% shall be submitted with each proposal.

The City of Laude reserves the right to reject any or all bids.

The DBE Goal for this project is 18%.

No 2nd tier subcontracting will be allowed on this project.

The project will be awarded based on the lowest, responsive, responsible bidder. The successful bidder shall furnish a performance bond for one hundred (100%) of the contract amount and shall file certificates with the City that he has obtained and will continue to carry workmen's compensation insurance, public and private liability and property damage insurance, and builder's risk insurance in an adequate amount for the duration of the contract.

The Contractor shall commence work within seven (7) days after the date of written notice from the City of Ladue to begin work and shall complete the improvements within eighty four (84) calendar days after the expiration date of such seven (7) day period.
