

Invitation to Bid -- Pre-Bid Information

St. Louis Terminal Third Main

Description

TRRA is requesting bids from qualified contractors to construct a third main track connecting to the existing control points of Grand Avenue (TRRA MP 0.00) and Gratiot Street (TRRA MP 2.00) in accordance with the contract documents. This work will occur on and adjacent to active railroad tracks. This project is partly financed through a grant from the Federal Railroad Administration through the High Speed Intercity Passenger Rail program. The DBE Goal for this project is 8%.

Obtaining Bid Documents

Electronic bid documents will be available. All requests for bid documents should be emailed to KMSchulte@design9.com.

Pre-Bid Conference

Date: November 7, 2013

& Site Visit:

Time: 10:00 a.m. – 12:00 p.m.

Location: Under the 12th Street Bridge at end of Cerre Street

Contractors must pre-qualify with Terminal Railroad prior to submitting a bid and must pre-register in advance of the pre-bid conference and site visit to Kurt Schulte at (314) 729-7600. All attendees will have to wear PPE (reflective vest, hard hat, safety glasses, steel-toed work boots). The site visit will occur adjacent to live tracks. Participants will not be allowed to foul any tracks, but will be able to take photos along the service road. Flaggers will be present for protection. Access to the service road will only be available during this scheduled site visit and bidders will not be allowed on the property outside this time period. Therefore, it is strongly recommended that bidders attend the site visit.
