

ADDENDUM NO. 1

WARREN COUNTY

Federal-Aid Project BRO-B109(13)
Bridge 0170021 on Power Line Road over Camp Branch

Addendum Date: May 22, 2013

Bid Date: May 28, 2013

The following revision to the Plans and Specifications has been made:

- Revision to Section 702 of the "Missouri Standard Specifications for Highway Construction – 2011". In lieu of a power-driven hammer as called for in Section 702.3 the contractor may instead use a vibratory hammer on this project to drive and seat the piles.

To acknowledge receipt of this addendum, please sign and date below and attach to your bid documents. Also Item "(13) ADDENDUM ACKNOWLEDGEMENT" shall be filled out in the bid documents.
