

Missouri Department of Transportation
Patrick K. McKenna, Director

1.888.ASK MODOT (275.6636)

December 13, 2017

Dear Consultant:

The Missouri Highways and Transportation Commission is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached list.

If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate office, which is indicated on the attachments. Limit your letter of interest to no more than three pages. This letter should include a statement to indicate your firm's understanding of the project. It should also include any other information which might help us in the selection process, including key personnel you would assign to the project and the backgrounds of those individuals, and any sub-consultants you would propose to use, and an indication of your firm's approach to promoting and developing a diverse workforce. MoDOT is committed to reflecting the diversity of the communities we serve and we expect our partners to do the same. We will utilize the consultant information already on file so we will not need a lengthy submittal of other general company information. In addition, please attach one page with detailed information on similar projects that your key personnel have worked on. Indicate the role your key personnel played in the projects and include reference contact information.

DBE firms must be certified by the Missouri Department of Transportation in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any projects they feel can be managed by their firm. We also encourage both DBE firms and non-DBE firms to consider joining MoDOT's Mentor/Protégé program whenever possible as part of a MoDOT project.

MoDOT will evaluate firms based on: Project Understanding & Innovation, Past Performance, Qualifications of Personnel Assigned, General Experience of Firm, Familiarity/Capability, Accessibility of Firm & Staff. Firm's not providing a response on approach to workforce diversity will be considered non-responsive to this solicitation. Firm's that are not current on all of the required prequalification categories found in MoDOT's Approved Consultant Prequalification List at the date of the solicitation expiration will be considered non-responsive.

We request all letters be received by 3:00 pm, December 29, 2017 at the appropriate office.

Sincerely,

Eric Schroeter, P.E.
State Design Engineer

Central District

Gasconade, Route T	
Job Nos:	J5S3174
Location:	Rte. T (existing bridge no. N0563) over Bourbeuse River, 1.5 miles south of Rte. V near Owensville
Proposed Improvement:	Bridge Replacements
Length:	Length of new bridge plus any necessary roadway transition.
Approximate Construction Cost:	\$1,765,000
DBE Goal (if applicable)	10%
Letting Date	February 2019
Consultant Services Required:	Bridge: All preliminary bridge design including hydraulics, final bridge design and plan preparation for the new bridges as necessary to submit final bridge Plans, Specifications & Estimate (PS&E). Roadway Design: Final roadway design, and preparation of conceptual, preliminary, right of way, and final plans. Surveying: Provided by MoDOT. Geotechnical: Completed by MoDOT with reports pending
Other Comments:	100% unsigned and unsealed bridge and roadway plans are due to MoDOT by October 20, 2018. Final electronic signed and sealed bridge and roadway plans and JSP's must be submitted to MoDOT by November 23, 2018 for a February 2019 letting. Consultant will need to coordinate directly with the Central District regarding roadway information and project schedule. Only one Consultant will be selected to perform the work. No interviews are planned for this project. Existing roadway and bridge plans, surveying information and other project information is available for download at the following locations: ftp://ftp.modot.mo.gov/Central%20Office/BR/J5S3174/
