Southwest District

Greene County, Route - US60	
Job No:	J8P0683D
Location:	US60 at Routes J and NN
Proposed Improvement:	This project will construct an interchange near the intersection of Route 60 with Routes NN and J. Access points between Farm Road 193 and Farm Road 205 will be closed. This project will include a bridge over Route 60 and some temporary connections to allow for installing outer roads at a later date. MoDOT has right of way plans. Final design plans, specifications, and estimate will be due in November 2014 with draft final design plans due in September.
Length:	1.61 miles
Approximate Construction Cost:	\$9,583,000
DBE Goal (if applicable)	10%
Consultant Services Required:	The consultant team will prepare final roadway and preliminary and final bridge plans and all geotechnical engineering for the proposed project.
Other Comments:	<p>Complete roadway and bridge design and all supporting documents will be required for a November 2014 PS&E submittal for the January 2015 Letting.</p> <p>Interviews or presentations will not be required for the consultant selection.</p> <p>Tentative Date of Consultant Selection- February 11, 2014</p> <p>Approved ROW plans and an aerial are available for download at:</p> <p>ftp://ftp.modot.org/SW%20District/J8P0683D/</p>
