Dear Consultant:

It has come to my attention that the November 3, 2006 Consultant Solicitation Letters for the Aerial Photography and Control Survey projects were posted with the incorrect zip code in the address given for submission of the responses. Because of this, the date for submission has been extended. We request all letters be received by **4:00 pm, November 29, 2006** at the appropriate office.

Please refer to the original solicitation for project contact information. The correct address for submitting the letters of interest for each of the projects is:

Missouri Department of Transportation  
P.O. Box 270  
601 W. Main  
Jefferson City, MO 65102  
Attention: Alexa Mitchell – Photogrammetry

The original solicitations may be found at:

I apologize for any inconvenience this may have caused.

Respectfully,

Melissa A. Anderson, P.E.
