December 20, 2007

Dear Consultant:

The Missouri Highways and Transportation Commission is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached request.

If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate office, which is indicated on the attachments. Your letter of interest should include a statement to indicate why your firm is interested in the project. It should also include any other information which might help us in the selection process, such as the persons or team you would assign to the project, the backgrounds of those individuals, and other projects your company has recently completed or are now active. We will utilize the consultant information already on file so we will not need a lengthy submittal of other general company information.

DBE firms must be certified by the Missouri Department of Transportation in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any projects they feel can be managed by their firm.

We request all letters be received by 12:00 pm, January 23, 2008 at the District 4 office.

Sincerely,

Dave Nichols
Director of Program Delivery

REQUEST FOR CONSULTANT INTEREST

Jackson County, Various Routes

Job No. J4Q1767E

Location: Scout Traffic Management Center – MoDOT District 4 Office

Proposed Improvement: Advanced Traffic Management System (ATMS) software support for the Kansas City Scout Intelligent Transportation System.

Approximate Contract Value: \$1.45 million

Consultant Services Required: Technical support for the upgrading and continual operation of Kansas City Scout's Advanced Traffic Management System software for up to a three year period.

Other Comments: Detailed information on the existing hardware and software systems has been documented in the Scout ATMS Specification report. This document can be accessed under "About Scout/Business with Scout" on the Kansas City Scout website (www.kcscout.net).

- Additional information will not be provided to the consultants until after the consultants have been short-listed.
- Responses shall include two separate documents, a general Letter of Interest and an Incident Response and Operations document. Each document is limited to ten total pages for a total submittal of 20 pages or less.
- Five copies of both documents shall be submitted for review.

Submittals must be received by noon on January 23, 2008.

Approximate shortlist date – January 28, 2008

Approximate date of interviews – February 14, 2008

Approximate date of selection – February 21, 2008

Shortlist and selection may be found at:
