

# Route 60 at Route 125 Interchange — *Rogersville Area*

## Project Facts:

- Build interchange at Route 60/Route 125 intersection
- Build interchange ramps for safe access between Route 60 and Route 125
- If funding is available, build outer road between Route 125 and Farm Road 243
- Estimated total project cost: \$23.1 million

## Project Timeline:

- October 2018 — Public meeting held to show plan for new interchange
- 2019 — Preliminary project design work begins
- August 2019 — Public meeting held to get feedback on previous concepts
- April-May 2020 — Virtual public meeting to get feedback on updated concepts
- May 2020 — Following public feedback, decision made to build interchange east of existing intersection
- September 2, 2021— Public hearing planned to show Preliminary Design Plans for new interchange
- 2021-2022 — Secure land needed for project
- 2021-2022 — Final project design work completed
- 2022-2023 — Construction of new interchange
