Railroad Coordination: Insight and Tools

Thursday, April 23, 2020
1:00 PM -2:30 PM [EST]

When you have a local transportation project that requires you to coordinate with railroad officials, communication is essential. FHWA has developed several resources for your use, including templates and FAQs.

Some of your peers will be discussing the approaches that have worked for them and the challenges they faced. They will be discussing strategies and offering pointers on how to successfully complete your projects.

If you have any questions about this upcoming webinar, please contact Andrea Kirk or Danielle Mathis-Lee, Program Managers with FHWA's Center for Local Aid Support at andrea.kirk@dot.gov and danielle.mathis-lee@dot.gov.
