

INVITATION TO BID

Sealed bids for **Paint Shuttle Stop Canopy, Bear Park North (Federal Number DP-5905 (808))** will be received at the Office of Planning, Design and Construction, Missouri State University, Burgess House, Springfield, Missouri, until **2:00 P.M. on June 23, 2020** and then publicly opened and read aloud via video conference. The Office of Planning, Design & Construction will be open one (1) hour prior to the bid opening to receive hand delivered bids. A certified check, bank draft or a bid bond executed by the bidder and an approved Surety Company in the amount of five percent (5%) of the bid shall be submitted with each proposal.

Information on plans and specifications can be obtained at <https://plans.missouristate.edu/>.

The Owner reserved the right to reject any and all bids and to waive all informalities in said bids. No bid may be withdrawn for a period of sixty (60) days subsequent to the specified time of the receipt of bids. The project will be awarded to the lowest, responsive, responsible bidder.

If this project should not be completed within the time noted on the Bid Proposal, the successful bidder shall pay to, or allow Missouri State University as liquidated damages the amount noted on the Bid Proposal for each day thereafter, Sundays and holidays included, that the work remains uncompleted.

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work of a similar character in this locality as established by the Department of Labor and Industrial Relations (Federal Wage Rate), or state wage rate, whichever is higher.

Missouri State University hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award."

Contractors and sub-contractors who sign a contract to work on public works project provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

The DBE Goal for this project is not less than ten percent (10%) MBE and five percent (5%) WBE of the awarded contract price for work to be performed.

No 2nd tier subcontracting will be allowed on this project.

Clif Smart, President
Missouri State University
