## Frequently Asked Questions

### **What is the purpose of this project?**

The purpose of the project is to redeck the bridge over Auxvasse Creek on Missouri Route O between Route UU and Route CC, approximately 6 miles southeast of Fulton.

### **Why is this work necessary?**

The existing bridge over First Creek was built in 1967 and is fifty-three years old. The condition of the bridge has reached a point where it is necessary to replace the bridge deck surface.

### **How will traffic be affected?**

During construction, Route O will be closed at the bridge location for up to three and a half months. Signs will alert motorists of the closed road and the detour route will be signed during construction.

### **When will the work take place?**

The project is scheduled to be awarded in the fall of 2020, with construction taking place in 2021.

### **Will additional right of way be needed to construct this project?**

No right of way or easement will be required for the redeck of the bridge.

### **What will the project cost?**

The total construction cost is approximately \$699,000.

### **How can I learn more?**

You may learn more by contacting us toll-free at 1-888-ASK-MoDOT (275-6636) or by visiting [www.modot.org/central](http://www.modot.org/central).
