ADDENDUM #2

RFP 20-060 GATEWAY GREEN LIGHT (GGL) PHASE 6 – PE PACKAGE A
CMAQ 5414 (634)

Addendum #2 is being issued to correct the day of the Pre-Proposal meeting as follows:

Q: Can you clarify the total page limit?

A: Including Letter of Interest, the total page limit is 46 pages. (see Section II and III of RFQ)

Q: Can you provide **Attachment H – Global Traffic Technologies, LLC (GTT) Emergency Vehicle Preemption Proposal** that is referenced in Exhibit A?

A: Task 4 has been solicited separately and should be removed from this RFQ.

Task 4

~~Procure and install enhancements to the current ATMS system in order to provide emergency vehicle priority (EVP) to enabled vehicles. It is anticipated that all fire and EMS vehicles will be enabled with the needed software at implementation. See **Attachment H – Global Traffic Technologies, LLC (GTT) Emergency Vehicle Preemption Proposal** for details of a potential centralized solution.~~

Proposers shall sign this Addendum as acknowledgment and return it with the proposal.
