**RE: Addendum 1 – RFP 20-168 - Missouri 370 - Salt River Rd Ramps 1 & 2/3 Design Project**

To all Firms of Record,

This Addendum, consisting of two (2) pages, is issued to answer questions received, modify, explain, or correct the original contract documents as noted below, and is hereby made a part of the contract documents.

1. Is there a page limit to the proposal?
  - No.
2. Will Construction Engineering be included? Is MoDOT performing the Construction Engineering internally or hiring a consultant?
  - Construction Engineering should be included for Ramp 1 only. The City will be responsible for the Construction Engineering for Ramp 1 and plans to hire a consultant to complete the work. Construction funding for Ramp 2/3 has not yet been secured however it is anticipated that MoDOT will be responsible for Construction Engineering for Ramp 2.
3. Is a Final Report and Alternatives Analysis needed for this project? Some firms have already submitted an AJR to MoDOT for the project which includes a report and alternatives analysis.
  - No.

**Special Instructions Update:**

- A. Important: Label the lower left corner of your sealed submittal package with the RFP number and name
- B. Submit one original and three copies of your proposal
- C. Include with Qualifications
  - Affidavit of Compliance (Pages 30 & 31)
  - E-Verify Memorandum of Understanding (MOU)
  - Appendix G - Addendum

Thank you,
