Anderson Engineering, Inc.

Gary D. Strack, P.E., F.NSPE, SECB

NOTICE TO CONTRACTORS

SEALED BIDS, addressed to "Platte County" and endorsed "Lamar Road Bridge Replacement" for replacing Bridge Number 0510010 in Platte County, will be received by the Platte County Clerk until **09:00 A.M.** (Prevailing Local Time) on **Monday, March 1, 2021**, at the office of the County Clerk, Platte County Government Complex Building, 415 Third St., Room 116, Platte City, MO 64079. Bids will be publicly opened and read aloud by the County Clerk at the conclusion of the 10:00 A.M., March 1, 2021, County Commissioners Administrative Meeting in the Auditorium of the Platte County Resource Center located at 11724 NW Plaza Circle, Kansas City, MO 64153. All bids shall be submitted in the form of hard copy

(1) **PROPOSED WORK:** The proposed work, hereinafter called the work, includes:

removal of the existing bridge, construction of the single span prestressed concrete NU35 girder bridge, install rock blanket, and minor approach roadway improvements.

(2) **COMPLIANCE WITH CONTRACT PROVISIONS:** The bidder, having examined and being familiar with the local conditions affecting the work, and with the contract, contract documents, including the current version of the Missouri Highways and Transportation Commission's "Missouri Standard Specifications for Highway Construction," and "Missouri Standard Plans for Highway Construction" (if applicable), their revisions, and the request for bid, including appendices, the special provisions and plans, hereby proposes to furnish all labor, materials, equipment, services, etc., required for the performance and completion of the work. All references are to the Missouri Standard Specifications for Highway Construction, as revised, unless otherwise noted.

The following documents are available on the Missouri Department of Transportation web page at www.modot.mo.gov under "Business with MoDOT" "Standards and Specifications". The effective version shall be determined by the letting date of the project.

General Provisions & Supplemental Specifications

Supplemental Revisions to Missouri Standard Plans
For Highway Construction (if applicable)

These supplemental bidding documents contain all current revisions to the bound printed versions and have important legal consequences. It shall be conclusively presumed that they are in the bidder's possession, and they have been reviewed and used by the bidder in the preparation of any bid submitted on this project.

Please note that within the above-listed documents, the term "Commission" shall be replaced with the term, Platte County Public Works", and the term "Engineer" is a reference to the Engineer of Record from Anderson Engineering, Inc.

The contracting authority for this contract is Platte County Public Works.

(3) **PERIOD OF PERFORMANCE:** If the bid is accepted, the bidder agrees that work shall be diligently prosecuted at such rate and in such manner as, in the judgment of the engineer, is necessary for the completion of the work within the time specified as follows in accordance with Sec 108:

Calendar Days: 120

Completion Date: November 19, 2021

(4) **LIQUIDATED DAMAGES:** The bidder agrees that, should the bidder fail to complete the work in the time specified or such additional time as may be allowed by the engineer under the contract, the amount of liquidated damages to be recovered in accordance with Sec 108 shall be as follows:

Liquidated damages per day \$ 700.00

DIVISION 300

BASES AND AGGREGATE SURFACES

SECTION 310 – AGGREGATE SURFACE

Amend Section 310.1 to include the following sentence:

Crushed stone surfacing shall be placed on side entrances if applicable.

Delete Section 310.2 in its entirety and substitute the following:

310.2 Material. In lieu of furnishing crushed stone meeting the requirements of the “Missouri Standard Specifications for Highway Construction”, the Contractor may provide aggregate of a size and grade that is normally used by the County. The County's preference is Type 5 Aggregate.

Delete Section 310.5 in its entirety.

Delete Section 310.6 in its entirety and substitute the following:

310.6 Basis of Payment. Payment for accepted quantities of aggregate surface will be paid for in the Per Sq. Yds. item, 4” Layer Crushed Stone Base.

Add the following as Section 310.6.1

310.6.1 Contract quantities shall be used for final payment of crushed stone except if appreciable errors are found in the itemized proposal, an authorized change order is made, or unauthorized deviations decrease the original quantities.
