RE: Notice to Consultants  
Request for Qualifications – Addendum No. 1  
Consulting Engineering Services  
Reavis Barracks & Green Park Bridge Replacement  
St. Louis County Project AR-1289  
Federal Project No. STP-4940(606)  
East-West Gateway TIP No. 7124G-22

The Department of Transportation received the following questions pertaining to the subject Request for Qualifications:

Question No. 1: Is HDR open to respond to this solicitation?

Answer: The consulting firm indicated on the supplemental documents from the project's conceptual design phase is eligible to submit a response for this Request for Qualifications. Regardless, participation in the conceptual phase of the project does not indicate preferential scoring for this Request for Qualifications. St. Louis County welcomes all interested and qualified firms to submit proposals for this project. All proposals received will be scored objectively based on the merits and content of the proposal.

Question No. 2: Has the County's PM been assigned, and if so, who?

Answer: The Department has not yet assigned a project manager for this project.
