Church Street Sidewalk Project

Sealed bids for MoDOT TAP-9901(514) for the construction of the Church Street Sidewalk Project, will be received by the City of Fayette City Hall, 117 South Main Street, Fayette, MO 65248 until 2:00pm on May 6, 2021 and then will be publicly opened and read aloud at Keller Building, 600 West Morrison Street Fayette MO. All should be on the forms included in the contract specifications.

The proposed work includes: Sidewalk improvements along South Church Street (HWY 240) from Walnut Street heading South approximately 1350 LF and terminating at the North side of Depot Street. It will then cross Church Street and Depot Street connecting to the existing sidewalk. Hackberry's intersection with Church Street will be reconstructed for the sidewalk crossing and have stormwater and curb & gutter installed.

Plans and Specifications may be purchased from the office of MECO Engineering Co., 2701 Industrial Drive, Jefferson City, MO 65109.

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work in a similar character in this locality as established by the Department of Labor and Industrial Relations (Federal Wage Rate), or state wage rate, whichever is higher.

The City of Fayette, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award.

Contractors and sub-contractors who sign a contract to work on public works project provide a 10-Hour OSHA construction safety program or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

The award of Contracts on this project shall be predicated upon competitive bidding, with award being made to the lowest responsive, responsible bidder.

A certified or cashier's check, or a Bid Bond in the amount of five percent (5%) shall be submitted with each proposal.

The contract DBE goal for the amount of work to be awarded is 7% of the total federal project price.

The City of Fayette reserves the right to reject any and all bids.

No 2nd tier subcontracting will be allowed on this project.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 of the Missouri Standard Specifications for Highway Construction, 2011 Edition including all revisions. The contractor questionnaire must be on file seven (7) days prior to bid opening.
