

A detailed map of the Dallas-Fort Worth metropolitan area and surrounding regions. Eighteen specific locations are highlighted with red circles and numbered 1 through 18. The map shows major highways (Interstates 75, 30, 40, 54, 67, 70, 82, 88, 94, 104, 135, 157, 205, 214, 270, 281, 375, 380, 395, 405, 415, 425, 435, 445, 455, 465, 475, 485, 495, 505, 515, 525, 535, 545, 555, 565, 575, 585, 595, 605, 615, 625, 635, 645, 655, 665, 675, 685, 695, 705, 715, 725, 735, 745, 755, 765, 775, 785, 795, 805, 815, 825, 835, 845, 855, 865, 875, 885, 895, 905, 915, 925, 935, 945, 955, 965, 975, 985, 995) and local roads. The locations are distributed across the region, with a concentration in the central and eastern parts of the map. The numbers are: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, and 18.

- 1. St. Louis City, I-44 bridge improvements at Jefferson** – This project improves the Jefferson bridge. Crews will place a new driving surface from Nebraska to I-55. Will also include resurfacing work under the bridge. Resurfacing should be complete in spring 2021.
- 2. St. Louis County, I-44 bridge replacement at the Meramec River.** This project continues work on the I-44 bridges just west of I-270 over the Meramec. Update ramps between southbound I-270 and westbound I-44. Constructs shared use path and connections to existing trailways. Work continues through early 2022.
- 3. Franklin County, I-44 St. Louis County Line to Route 30 and Loop 44 from St. Louis County to Route 100.** Pavement improvements. Work should be complete in summer 2021.
- 4. St. Louis County, I-55 – pavement repairs between Lindbergh and the city of St. Louis limits.** Up to two lanes could be closed in either direction at night.
- 5. St. Louis City, I-64 interchange improvements at Jefferson and 22nd Street.** Drivers can expect lanes closed around the clock.
- 6. St. Charles County, I-70 bridge rehabilitation at the Route 370 interchange.** Rehabilitate six bridges at the I-70/Route 370 Interchange. Construction begins summer 2021 and ends 2022.
- 7. St. Louis County, I-270 North** – various bridge and roadway improvements between I-70 and the Chain of Rocks bridge. Drivers can expect bridges over the interstate to be closed, as well as various lanes and ramps through the year.
- 8. St. Louis County, I-270 bridge repair over I-44.** This project makes repairs to a bridge over westbound I-44 that was damaged by an oversized load. This project will require a full closure of westbound I-44 for a couple of weekends, most likely in the late spring.
- 9. St. Charles County, Route 67.** Elevation of the southbound Route 67 lanes for one mile south of the Clark Bridge.
- 10. St. Louis County, Route 100 (Manchester Road) between Big Bend and Lindbergh.** Work updates signals and drainage along the corridor, updates sidewalks to meet Americans with Disabilities Act requirements. Starts in late 2021.
- 11. St. Louis County, Route 340 road widening between Spoede Road and Old Olive for left turn lanes.** Drivers can expect lane closures during off-peak hours.
- 12. St. Louis County, Route 364** - Bridge rehabilitation on the overpasses from Seven Pines to Bennington. Drivers can expect bridge and lane closures, as well as detours along the route.
- 13. St. Louis County, Route 370 - Pavement and guardrail repairs from I-270 to 5th Street.** Drivers can expect lane closures.
- 14. Jefferson County, Route A from Collins Road to Old Route 21.** Work includes resurfacing, guardrail upgrades and intersection improvements at Harrison Lake, Burning Tree, Pebble Creek and Morgan Road. Work begins in summer 2021 and ends winter 2021.
- 15. Franklin County, Route D(S. Service Road) from Route WW to W Springfield Road-** Resurfacing, guardrail and ADA upgrades. Construction begins fall 2021 and ends summer 2022.
- 16. Jefferson County, Route H resurfacing from Route 21 to the Washington County line.** Includes guardrail upgrades, culvert replacements and adds two foot shoulders. Begins in summer 2021 and ends in winter 2022.
- 17. Franklin County, Route AH over Interstate 44- Repair damaged bridge over I-44.** Work is set to begin in spring 2021. The completion date is winter 2021.
- 18. Franklin County, Resurfacing Route AJ from Route YY to Route 50.**
