

# **Osage County, Route 89 Bridge Redeck Over Swan Creek Job No.: J5S3344**

## **Project Facts:**

- ♦ Proposed improvement consists of the redeck of the bridge (A1410) over Swan Creek.
- ♦ The bridge is located 6.4 miles south of Linn and 3.2 miles east of Rich Fountain.
- ♦ This project will be let in combination with job no. J5S3284, 3 bridge rehabs over Gasconade River (Osage 89-A1411), (Maries 42-A2550) and (Gasconade 100-A4735).
- ♦ Only 1 of 2 bridges (A1410 or A1411) to be under construction at a time.
- ♦ The Osage 89 Bridge over Swan Creek is included in Gov. Mike Parson's \$351 million Focus on Bridges program, which will repair or replace 250 bridges across the state.

## **Bridge Facts:**

- ♦ The condition of the bridge has reached a point where a redeck is necessary.
- ♦ This bridge carries approximately 1,587 vehicles per day.

## **Traffic impacts:**

- ♦ Route 89 will be closed at the bridge during construction.
- ♦ A signed detour will be in place during construction.
- ♦ Construction for bridge (A1410) over Swan Creek is expected to take 2.5 months.

## **Construction:**

- ♦ Construction in 2022
- ♦ December 1, 2022 completion date

## **Estimated Total Project Cost:**

- ♦ \$547,000
