

Missouri Highways and Transportation Commission Policies

Category: HIGHWAYS
Subcategory: Highway Beautification
Sub-Subcategory: Roadside Management

ADOPT-A-HIGHWAY PROGRAM

The Adopt-A-Highway Program involves more than 4,000 groups comprised of 40,000 volunteers performing litter pickup on more than 5,800 miles of roadway.

An Adopt-A-Highway Program will be established whereby individuals or organized groups will be allowed to adopt sections of highway, thereby assuming responsibility for litter pickup, mowing, beautification or any combination of these.

Effective Date: August 14, 1987

Supersedes Policy Dated:

Last Reaffirmed: November 7, 2013

Date of Origin: August 14, 1987

Related Commission Minutes: August 14, 1987; November 7, 2013 – Comprehensive Policy Review.
