Steps to Sign up for certification courses:

1. Control Click on this link:
[Technician Certification Program | Missouri Department of Transportation \(modot.org\)](https://www.modot.org/technician-certification-program)
2. Click on: "[Course Calendar](#)", open file to view the calendar for certification dates and time.
3. Note the certification courses you are interested in, location and the dates.
4. Click on an application:
 - [Application for Courses at State Tech](#)
 - Fill out the auto application for registration, follow online instructions.
 - For further assistance call STATE TECHNICAL COLLEGE at 573-897-5330

NOTE: We will make every effort to put you in your requested course date. However, if a course reaches capacity prior to receiving your application, you may be placed in the next available course or asked to choose an alternate date if more are available.

Courses are filled on a first-come first-served basis.

On the STC registration application process, if the course has seats available the date will be **bold** on the calendar. If the date is not bold, pick another date that is **bold** from the calendar.
