PROJECT NAME: Boeuf Creek Road Bridge over a Tributary to Boeuf Creek
PROJECT NO.: STP-5490(615)
OWNER: Franklin County, Missouri

Sealed proposals for the construction of the Boeuf Creek Road Bridge over a Tributary to Boeuf Creek will be received by the Franklin County Commission at 400 East Locust Street, Room 200, Union, Missouri 63084 until 2:00 PM (Prevailing Local Time) on September 16, 2021 and be publicly opened and read aloud at 2:00 PM in the Commission Chambers.

The proposed project includes:

All work and materials including grading, paving, and constructing the new bridge. A one-span, 65-foot-long pre-stressed concrete spread box beam bridge over a Tributary to Boeuf Creek. The bridge will have a 28'-0" clear roadway width with Type H curbs and a cast-in-place concrete deck on precast prestressed panels. Concrete pile cap integral end bents will be supported by steel piles driven to rock. Approach pavement will be 28'-0" wide except at tapered ends to meet existing pavement width, together with any incidental work on the above project. The total length of the federally funded improvements is 450 feet. The project is located in rural northwestern Franklin County off Boeuf Creek Road approximately 4 miles southeast of New Haven, Missouri and 2.3 miles southwest of State Route 100 intersection with Highway KK.

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work of a similar character in this locality as established by the Department of Labor and Industrial Relations (Federal Wage Rate), or state wage rate, whichever is higher.

Franklin County hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry or national origin in consideration for an award.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 from the current version of the Missouri Standard Specifications for Highway Construction, including all revisions. The contractor questionnaire must be on file 7 days prior to the bid opening.

Contractors and sub-contractors who sign a contract to work on this public works project must provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

A DBE goal of 12% is required for this construction contract.

Bidders shall comply with the Employment Verification Program (E-Verify).

A certified or cashier's check or a bid bond in the amount of 5% shall be submitted with each proposal.

No 2nd tier subcontracting will be allowed on this project.

Bid plans and specifications can be viewed at the Franklin County Highway Department office at 400 East Locust Street, Room 003A, Union, Missouri. Contact Jim Grutsch at (636) 583-6361 for questions. Bid sets can be purchased only through Drexel Technologies, 60 Progress Parkway, Maryland Heights, Missouri 63043 through

Franklin County, Missouri
