

CAVE SPRINGS
TO FAIRGROUNDS

DBE NETWORKING EVENT

ATTENTION

Design and Heavy Highway Construction
Disadvantaged Business Enterprises

The MoDOT I-70 CSFG Design Build Project is hosting a DBE Networking Event.
DBE goal is 20% for Design and 14% for Construction.

NETWORKING EVENT SUMMARY

DBE Firms must register for a time slot at **www.i70csfg.com/industry-info.html**. During each ten-minute time slot, three DBEs will take turns meeting individually with the three Design-Build teams.

Please arrive at least 10 minutes prior to your selected time slot.

DESIGN-BUILD PROJECT SUMMARY

This project is a \$62 Million Design Build project in St. Charles County that will make highway improvements from Cave Springs to Fairgrounds.

EVENT REGISTRATION

IN-PERSON SESSION REGISTRATION

Register for the in-person DBE Networking event at **www.i70csfg.com/industry-info.html**. Seating is limited. The event will take place:

Monday, November 15, 2021
St. Charles Family Arena,
2002 Arena Pkwy, St. Charles, MO 63303
3 PM to 6 PM

VIRTUAL SESSION REGISTRATION

If you are unable to attend in person for any reason, please fill out the form at **www.MoDOT.org/i70csdbe** by **November 5, 2021**. MoDOT will schedule a virtual networking opportunity for those interested.
