ADDENDUM NUMBER ONE

DATE: October 29, 2021

OWNER: City of New Haven, Missouri

101 Front Street

New Haven, Missouri 63068

SUBJECT: Addendum Number One to

Downtown Improvements Phase 1 and 2

Federal Project No. STP-9901(633) & STP-9901(645)

Cochran Project No. SC18-786 & SC19-966

This Addendum forms a part of the Bidding and Contract Documents and modifies the original Bidding Documents. FAILURE TO ACKNOWLEDGE RECEIPT OF ADDENDUM MAY SUBJECT BIDDER TO DISQUALIFICATION.

ITEM:

1. **Bid Form Change** REPLACE: In the Project Manual, Pages BF-1, BF-2, BF-3, BF-4, BF-5, BF-6, BF-7, BF-8, BF-9, BF-10 & BF-11, **BID FORM PROPOSAL**, with the enclosed **REVISED BID FORM PROPOSAL**.

Changes to bid form include:

- Addition of 4 Fire Hydrant Assemblies to Phase 1 Bid Form.
- Corrected bid item numbering.
- 2. REPLACE: In the Plans, the plan sheets Q-1 & Q-2 with the enclosed Revised Q-1 and Q-2.
- 3. <u>CHANGE</u>: All storm sewer pipe for this project shall be changed from "Reinforced Concrete Pipe" to "**High Performance Polypropylene Pipe**" meeting Missouri Standard Specifications for Highway Construction.
- 4. <u>REPLACE</u>: In the Project Manual, page JSP-18, section **19. DRIVEWAY APPROACH ACCESS** with the following section:

19. BUILDING AND DRIVEWAY APPROACH ACCESS

The Contractor shall notify any Business or Residence by letter, one week prior to beginning construction that is expected to affect or limit access.

BUILDING ACCESS

General

The Contractor will provide access to all buildings during construction. Any open excavations and new concrete placements will be bridged to allow for pedestrian access. Temporary walkways will be established parallel to the street and perpendicular to each entrance of all buildings. Bright orange construction fencing and signage will be used to define the walkways. Within a reasonable amount of time, the Contractor will remove sections of the sidewalk and replace them with a temporary walkway. Under no circumstances will the Contractor be allowed to open up a section of the sidewalk and

not replace it with temporary access in the same day.

Temporary Walkways

Temporary walkways will be a minimum of 5-feet-wide and 4 inches deep, made of compacted 3/4-inch crushed stone. Temporary walkways will be placed at the existing grade of the current sidewalks. Care will be used to ensure safe transitions between new and existing work.

Pedestrian Bridges

Bridges will be used to cross open excavations and to protect new concrete. The Contractor will be required to provide safe access to all buildings for pedestrian use. Bridges will be a minimum of 5-feet-wide and be equipped with handrails as prescribed by OSHA.

DRIVEWAY ACCESS

The Contractor shall schedule his work such that at no time during the life of this Contract will any driveway be denied access for any reason other than the curing of the pavement.

If a Business or Property owner has two entrances, only one entrance will be allowed to be reconstructed at a time.

The Contactor shall be responsible for maintaining access to all side roads, commercial and private entrances at all times during construction, unless full entrance closure is allowed as noted below.

Commercial and Private Entrances (20' wide or less) – excavation shall be completed in one calendar day. Immediately following excavation activities, Contractor shall provide <u>Temporary Access</u>. Concrete forming and pouring shall be completed in one calendar day. Concrete shall contain high early strength additives and must achieve a strength of 3,500 psi in three days.

Commercial Entrances (greater than 20' wide) – shall be constructed one half at a time. Excavation, forming and pouring activities for each half shall follow time constraints listed above. Concrete shall contain high early strength additives and must achieve a strength of 3,500 psi in three days.

For all Commercial and Private Entrances, the time from the beginning of excavation to the pouring of the driveway approach shall not exceed 14 days.

Temporary Access – MoDOT specified Type 5 aggregate, at a minimum thickness of 6" compacted, shall be used for temporary access and shall be considered incidental to the contract. Contractor shall install and compact the Type 5 aggregate in a sufficient manner, and to the Engineer's satisfaction; to prevent vehicle bottoms scraping the roadway, driveway, and parking lots. No separate payment will be made for the placement, maintenance or removal of said access. If said access is not supplied as set out above, the City will supply said access with its own forces, without notification to the Contractor, and will deduct such costs from the sums due the Contractor.

No direct measurement or payment for temporary access will be made.

5. <u>REPLACE</u>: In the Project Manual, the Federal and State Prevailing Wage Rates with the attached updated Federal and State Prevailing Wage Rates.

ATTACHMENTS:

- Revised Bid Form Proposal, BF-1, BF-2, BF-3, BF-4, BF-5, BF-6, BF-7, BF-8, BF -9, BF-10 & BF-11
- Revised Quantity Sheet, Q-1
- Revised Quantity Sheet, Q-2
- Updated State Prevailing Wage Section
- Updated Federal Prevailing Wage Section

END ADDENDUM NO. 1

ADDENDUM 1

ARTICLE 10

BID FORM PROPOSAL

PROJECT NAME: Downtown Improvements Phase 1 & Phase 2 PROJECT LOCATION: New Haven, Missouri BIDDER NAME:	<u></u>						
TO: The City of New Haven, Missouri	("Owner")						
In response to the Invitation for Bids for Project No. <u>STP-9901(633) & ST</u> with the Instructions to Bidders and other Bidding Documents, the Bidd opportunity to examine the site of the Work and has carefully examined the including the Addenda, and on the basis thereof, and being fully familiar the Work, and upon written notice of award of contract, acknowledges material, equipment, tools, management and supervision, safety and technic and incidentals necessary or required for the faithful performance of the the above-referenced documents in a safe, timely and workmanlike manner.	der declares that he has had an be Contract Documents therefore, with the local conditions affecting and agrees to provide all labor, nnical services, insurance, bonds Contract Work in accordance with						
BASE BID COMBINED PROJECTS (STP-9901(633) & STP-9901(64	5)):						
Dollars (Amount in Words)							
(\$)						
DAGE DID COMPINED DDO IECTO I ALTERNATE 4 (CTD 0004/C22) 9 CTD 0004/C45\\

Updated State Prevailing Wage Section Addendum 1

Missouri Division of Labor Standards

WAGE AND HOUR SECTION

MICHAEL L. PARSON, Governor

Annual Wage Order No. 28

Section 036
FRANKLIN COUNTY

In accordance with Section 290.262 RSMo 2000, within thirty (30) days after a certified copy of this Annual Wage Order has been filed with the Secretary of State as indicated below, any person who may be affected by this Annual Wage Order may object by filing an objection in triplicate with the Labor and Industrial Relations Commission, P.O. Box 599, Jefferson City, MO 65102-0599. Such objections must set forth in writing the specific grounds of objection. Each objection shall certify that a copy has been furnished to the Division of Labor Standards, P.O. Box 449, Jefferson City, MO 65102-0449 pursuant to 8 CSR 20-5.010(1). A certified copy of the Annual Wage Order has been filed with the Secretary of State of Missouri.

Original Signed by

Taylor Burks, Director Division of Labor Standards

Filed With Secretary of State: March 10, 2021

Last Date Objections May Be Filed: April 8, 2021

Prepared by Missouri Department of Labor and Industrial Relations

Use Heavy Construction Rates on Highway and Heavy construction in accordance with the classifications of construction work established in 8 CSR 30-3.040(3).

Use Building Construction Rates on Building construction in accordance with the classifications of construction work established in 8 CSR 30-3.040(2).

If a worker is performing work on a heavy construction project within an occupational title that is not listed on the Heavy Construction Rate Sheet, use the rate for that occupational title as shown on the Building Construction Rate Sheet.

*The Division of Labor Standards received less than 1,000 reportable hours for this occupational title. Public works contracting minimum wage is established for this occupational title using data provided by Missouri Economic Research and Information Center.

^{**}The Prevailing Hourly Rate includes any applicable fringe benefit amounts for each occupational title.

OVERTIME and HOLIDAYS

OVERTIME

For all work performed on a Sunday or a holiday, not less than twice (2x) the prevailing hourly rate of wages for work of a similar character in the locality in which the work is performed or the public works contracting minimum wage, whichever is applicable, shall be paid to all workers employed by or on behalf of any public body engaged in the construction of public works, exclusive of maintenance work.

For all overtime work performed, not less than one and one-half (1½) the prevailing hourly rate of wages for work of a similar character in the locality in which the work is performed or the public works contracting minimum wage, whichever is applicable, shall be paid to all workers employed by or on behalf of any public body engaged in the construction of public works, exclusive of maintenance work or contractual obligation. For purposes of this subdivision, "overtime work" shall include work that exceeds ten hours in one day and work in excess of forty hours in one calendar week; and

A thirty-minute lunch period on each calendar day shall be allowed for each worker on a public works project, provided that such time shall not be considered as time worked.

HOLIDAYS

January first;
The last Monday in May;
July fourth;
The first Monday in September;
November eleventh;
The fourth Thursday in November; and December twenty-fifth;

If any holiday falls on a Sunday, the following Monday shall be considered a holiday.

Updated Federal Prevailing Wage Section Addendum 1

"General Decision Number: MO20210001 10/01/2021

Superseded General Decision Number: MO20200001

State: Missouri

Construction Types: Heavy and Highway

Counties: Missouri Statewide.

HEAVY AND HIGHWAY CONSTRUCTION PROJECTS

Note: Under Executive Order (EO) 13658, an hourly minimum wage of \$10.95 for calendar year 2021 applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2015. If this contract is covered by the EO, the contractor must pay all workers in any classification listed on this wage determination at least \$10.95 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in calendar year 2021. If this contract is covered by the EO and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must pay workers in that classification at least the wage rate determined through the conformance process set forth in 29 CFR 5.5(a)(1)(ii) (or the EO minimum wage rate, if it is higher than the conformed wage rate). The EO minimum wage rate will be adjusted annually. Please note that this EO applies to the above-mentioned types of contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but it does not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60). Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

HOURLY PREMIUMS:

The following classifications shall receive \$.25 above GROUP 1 rate:

Clamshells - 3 yds. or over; Cranes - Rigs or Piledrivers, 100 ft. of boom or over (including jib); Draglines - 3 yds. or over; Hoists - each additional active drum over 2 drums; Shovels - 3 yds. or over;

The following classifications shall receive \$.50 above GROUP 1 rate:

Tandem scoop operator; Cranes - Rigs or Piledrivers, 150 ft. to 200 ft. of boom (including jib); Tandem scoop.

The following classifications shall receive \$.75 above GROUP 1 rate:

Cranes - Rigs or Piledrivers, 200 ft. of boom or over (including jib.).

TRUCK DRIVERS CLASSIFICATIONS

- GROUP 1 Pick-up trucks; forklift, single axle; flatbed trucks; job site ambulance, and trucks or trailers of a water level capacity of 11.99 cu. yds. or less
- GROUP 2 Trucks or trailers of a water level capacity of 12.0 cu yds. up to 22.0 cu yds. including euclids, speedace and similar equipment of same capacity and compressors
- GROUP 3 Trucks or trailers of a water level capacity of 22.0 cu. yds & over including euclids, speedace & all floats, flatbed trailers, boom trucks, winch trucks, including small trailers, farm wagons tilt-top trailers, field offices, tool trailers, concrete pumps, concrete conveyors & gasoline tank trailers and truck mounted mobile concrete mixers

FOOTNOTE FOR TRUCK DRIVERS:

c. PAID HOLIDAYS: Christmas Day, Independence Day, Labor Day, Memorial Day, Veterans Day, New Years Day, Thanksgiving Day

d. PAID VACATION: 3 days paid vacation for 600 hours of service in any one contract year; 4 days paid vacation for 800 hours of service in any one contract year; 5 days paid vacation for 1,000 hours of service in any one contract year. When such an employee has completed 3 years of continuous employment with the same employer and then works the above required number of hours, he shall receive double the number of days of vacation specified above. When such an employee has completed 10 years of continuous employment with the same employer and then works the above required number of hours, he shall receive triple the number of days of vacation specified above. When such an employee has completed 15 years of continuous employment with the same employer and then works the above required number of hours, he shall receive 4 times the number of days of vacation specified above.

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were

prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

- 1.) Has there been an initial decision in the matter? This can be:
- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter

* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations Wage and Hour Division U.S. Department of Labor 200 Constitution Avenue, N.W. Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator U.S. Department of Labor 200 Constitution Avenue, N.W. Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board U.S. Department of Labor 200 Constitution Avenue, N.W. Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

END OF GENERAL DECISION"
