

THE CITY OF ASHLAND, MISSOURI

December 8, 2021

Dear Consultant:

The City of Ashland is requesting the services of a consulting engineering firm to perform the described professional services for the project included on the attached list. If your firm would like to be considered for these consulting services, you may express your interest by responding to the appropriate city office, which is indicated on the attachments. Limit your letter of interest to no more than 3 pages. This letter should include any information which might help us in the selection process, such as the persons or team you would assign to each project, the backgrounds of those individuals, and other projects your company has recently completed or are now active. It is required that your firm's Statement of Qualification be submitted with your firm's Letter of Interest, or be on file with the City of Ashland. The Request for Qualifications is not included in the total page count limit. Please refer to Exhibit A for location map.

DBE firms must be listed in the MRCC DBE Directory located on MoDOT's website at www.modot.gov, in order to be counted as participation towards an established DBE Goal. We encourage DBE firms to submit letters of interest as prime consultants for any project they feel can be managed by their firm.

It is required that your firm be prequalified with MoDOT and listed in [MoDOT's Approved Consultant Prequalification List](#), or your firm will be considered non-responsive.

We request all letters be received by 5:00 pm, January 6, 2022 at 109 East Broadway, City of Ashland.

Sincerely,

John T. Conway, PE
Civil Engineer
