RE: Notice to Consultants
Request for Qualifications
Consulting Engineering Services
Laclede Station Road Resurfacing - Watson to Weil
Watson Road (State Route 366) to Weil Avenue
St. Louis County Project No. AR-1838
Federal Project No. STP-4901(651)
East-West Gateway TIP No. 7196F-23

St. Louis County Department of Transportation (SLCDOT) is requesting the services of a highly qualified consulting engineering firm to perform professional services for this project. Qualifications-Based Selection (QBS), in accordance with RSMo. 8.285 through 8.291, will be used to determine the successful respondent. Note, St. Louis County Revised Ordinances 107.071 SLCRO, 107.400 SLCRO and 107.401 SLCRO are not applicable to the selection process for this contract.

General Description of Services Required:

This project includes the following major scope elements:

- Mill and Overlay
- Base Repairs
- ADA improvements
 - Curb Ramp Replacement
 - New Curb Ramps
 - Traffic Signal Upgrades for Pedestrians
 - Install ADA compliant landing pads at bus stops
- Traffic Signal Replacement/Upgrades

Specific consultant scope items include:

- Section 106 Documentation and Application
- Threatened and Endangered Species Documentation and Application
- Preliminary Plans
- Right-of-Way Plans
- Final Plans
- Job Special Provisions
- Construction Estimates
- Coordination with the Missouri Department of Transportation (MoDOT)
- Coordination with the Metropolitan St. Louis Sewer District (MSD)
- Coordination with the Metro Transit (as necessary)
- Pavement Design

- Utility Coordination
- Obtain St. Louis County Permits (as necessary)
- Obtain Floodplain Permit (if necessary)
- Miscellaneous Pick-Up Survey Work (as necessary)
- Roadway Design
- Striping Plan (as necessary)
- Traffic Signal Design
- Assistance with Public Involvement (if necessary)
- Guardrail Layout/Design (if necessary)
- Retaining Wall Design (if necessary)
- Culvert Design (if necessary – not anticipated)
- Geotechnical Investigation (if necessary – not anticipated)
- Subsurface Utility Investigation (if necessary)
- Utility Marking Services (if necessary)
- Drainage Structure Design (if necessary – not anticipated)
- Water Quality Design (if necessary – not anticipated)

Services to be Provided by St. Louis County:

- Pavement Cores
- Topographic Surveying
- Property Surveys
- Compilation of Bid Documents
- Compile and Submit Plans, Specifications and Estimates (P, S & E)
- Management of the Bidding Process
- Compile and Submit Concurrence in Award Request
- Contract Processing and Execution
- Compile and Submit Construction Notice to Proceed Request
- Construction Engineering
- Materials Testing
- Right-of-Way Acquisition
- Public Involvement (if necessary)

The anticipated project schedule is as follows. To ensure this schedule can be met, consultants are required to submit an initial fee proposal within 2 weeks of the scoping meeting with subsequent revisions due within 1 week of receiving comments from the County. Firms unable to meet these deadlines should not submit a Qualifications Statement.

Qualifications Statements Due:	February 16, 2022
Selection Announced:	February 2022
Scoping Meeting:	March 2022
Negotiation:	March 2022 – April 2022
Council Authorization:	June 2022 – July 2022
Contract Execution:	October 2022

Estimated Notice to Proceed Date:	October 2022
Preliminary Plans Approved:	September 2023
Right-of-Way Plans Approved:	July 2024
All Final Plans Complete:	May 2025

Please limit your Qualifications Statement to no more than seven (7) pages. The submittal should include the following:

- A statement expressing your firm's interest in the project.
- Key project staff and their qualifications.
- Current workload and availability of key staff throughout the project.
- Project approach.
- Details of other similar projects your firm has taken through final design in the recent past. Contact information should be provided for similar projects completed for other agencies.
- DBE Utilization Plan
- Statement concerning the Computer-Aided Drafting and Design (CADD) software to be used for the project. SLCDOT's preference is for the plans to be prepared natively in Microstation utilizing SLCDOT CADD standards. SLCDOT CADD standards are only available in Microstation/InRoads format and SLCDOT will not convert its standards or surveys to other formats for consultants. SLCDOT reserves the right to review the CADD files for a project at any time and the consultant will be required to provide those in Microstation format upon request.

Firms may submit a copy of their company's general qualifications separately as a single additional document. There is no length limit to this document. This supplemental information is not required and is not guaranteed to be considered in the scoring process. All project specific information should be included in the seven-page Qualifications Statement.

All prime consultants shall be prequalified with MoDOT. It is further required that your firm submit an Affidavit of Compliance with the federal work authorization program along with a copy of your firm's E-Verify Memorandum of Understanding (15CSR 60-15.020) be submitted with your firm's Statement of Qualifications. These items do not count towards the seven-page limit.

Qualifications Statements will be scored based on the following criteria:

- Overall Experience and Technical Competence – 30 points
 - Project Manager has appropriate qualifications and has successfully managed similar projects (10 points)
 - Technical Leads have appropriate qualifications and have successfully performed on similar projects (10 points)
 - Plan for sub-consultants to contribute meaningfully to this project (10 points)
- Project Approach – 40 points
 - Statements concerning Project Team availability appear realistic (10 points)
 - Proposed project approach demonstrates a thorough understanding of the County's needs. (25 points)
 - Consultant states they will prepare plans natively in Microstation (5 points)
- Past Record of Performance – 30 points

- Prior projects presented are representative of the technical challenges of the project being solicited (15 points)
- Prior projects include federal-aid projects for Missouri Local Public Agencies (15 points)

Selection will be made based upon the scoring of the Qualifications Statements received and interviews will not be conducted for this project.

A Disadvantaged Business Enterprise (DBE) goal of 16% has been established for this project. The DBE goal may be met through any combination of qualified DBE prime consultant and qualified DBE subconsultants. DBE firms must be listed in the MRCC DBE Directory located on MoDOT's website at www.modot.gov, in order to be counted toward participation in any established DBE Goal. St. Louis County encourages DBE firms to submit as prime on any project for which they are qualified. Any sub-consultants needed to complete the professional services requested by St. Louis County must be listed.

If your firm would like to be considered for the consulting services, please e-mail your Qualifications Statement to Kori Neely, P.E., Supervisor, Project Managers – Engineering at KNeely@stlouiscountymo.gov as a PDF file. General qualifications shall also be submitted in PDF format. Any mailed or hand-delivered hard copy submittals will be discarded. All Qualifications Statements must be received by 2:00 p.m., local time, on February 16, 2022 to be considered for this project. Questions regarding this solicitation shall be submitted in writing to the project contact above no later than 9:00 am on February 9, 2022. Failure to comply with the requirements of the RFQ may negatively impact the evaluation of the consultant's Statement of Qualifications.

Any information that SLCDOT is able to provide concerning these projects, including TIP applications and completed survey work (if available) will be posted and available for download with this RFQ at: <https://stlouiscountymo.gov/st-louis-county-departments/administration/procurement/bids-and-rfps/>
