Common Customer External Procedure

Overview

Common customer is the starting point for all customer accounts. This creates a foundation of account information to build off of for all programs overseen by Motor Carrier Services.

Process

To create a new customer application for the first time, you will click on "New Customer Application."

Note this is for setting up a customer profile only. Once approved you will receive log in credentials and be able to submit your application for the program(s) you are applying for and upload the required supporting documentation.

| Attention: If you are an existing customer that needs access to additio using your existing account | nal programs in MCE or are an existing permit service that needs to add an additional customer please <u>log</u> |
| Enter your email address to get started | ur email |
| Next | |

The system will take you to a new screen to enter your email address and click next. You will be directed to the account application page. To start the application, click on the "Start a new application" button.

Next you will select the program(s) you are applying for by clicking on the toggle in front of the program. If you are unsure what the program is and would like more information you can click on the red question mark inside the circle and a pop-up window will appear with a link to visit our website.Once you have selected all programs you are applying for, click next.

On the USDOT/Tax id tab, indicate if you have been assigned a USDOT number.

If you are a For-Hire/Private Carrier you will select yes and provide your USDOT Number and FEIN/SSN. Once you have provided your information, click next.

If you are For-Hire Lease (driving under someone elses authority) you will select no and enter your FEIN/SSN and click next.

On the General Info tab you will fill out all information that pertains to you. Once you are done filling out the fields, click next.
