

CHILD PASSENGER SAFETY TECHNICIAN COURSES

UPCOMING TRAINING COURSES

OCT 3-6

*Bollinger County Health Dept.
Marble Hill*

OCT 31 - NOV 3

*West Plains Fire
Department, Station 1*

NOV 27 - 30

*Eugene E. Northern
Community Hall, Rolla*

Attendees must be at least 18 years old at the time the course starts. The standardized child passenger safety technician (CPST) certification course is usually 3-4 days long and combines classroom instruction, hands-on work with car seats and vehicles, and a community safety seat checkup. Attendance is required for the entire course.
