Sam Page County Executive

Stephanie Leon Streeter, P.E. Acting Director

> Joseph W. Kulessa, P.E. Acting Deputy Director

March 22, 2022

ADDENDUM NO. 1

Notice to All Persons and Firms Proposing to Submit a Bid or Furnish Materials for West Port Plaza Drive - Marine Avenue Resurfacing & West Port Plaza Drive Intersection Improvements St. Louis County Project Nos. AR-1548 & AR-1673 Federal Project Nos. STP-9900(673) & CMAQ-9901(638)

The construction contract for this project has been revised as follows:

<u>No. 1 (of 4):</u>

Replace the U.S. Federal Wage Rates, General Decision Number MO20220001 (02/18/2022) with the following U.S. Federal Wage Rates, General Decision Number MO20220001 (03/04/2022).

<u>No. 2 (of 4):</u>

Remove/eliminate Job Special Provision No. 500.20.1 "Joint Sealant for Concrete Sidewalks".

<u>No. 3 (of 4):</u>

Replace the Missouri American Water Company permit application and plan of adjustment, located at the rear of the Construction Plans for this project and dated January 2022, with the attached copy of the approved permit application and plan of adjustment dated March 2022. Please note that additional water main relocation has been added to this permit application and that all water main relocation is expected to be completed prior to construction of this project.

Likewise, **replace** Job Special Provision No. 100.70.3 with the attached revised copy of Job Special Provision No. 100.70.3.

<u>No. 4 (of 4):</u>

In order to protect local endangered species and allow work to begin prior to October 31, 2022, all suitable trees associated with construction stages 1 thru 5 have been removed by County forces in recent weeks. **Revised** quantities include **corrected** quantities for Coded Pay Item Nos. 201-20.14, 201-20.22, and 201-20.23 on Construction Plan Sheet Nos. 2 and 4 (of 155) and Itemized Bid Sheet Nos. 4, 5, and 12 (of 25). Revised copies of Construction Plan Sheets No. 2 and 4 and Itemized Bid Sheets No. 4, 5, and 12 are attached to this addendum.

REVISED ITEMIZED BID SHEET NOS. 4 OF 25, 5 OF 25, AND 12 OF 25 ARE ATTACHED AND REFLECT THE CHANGES NOTED IN ITEM NO. 4 ABOVE. FAILURE TO SUBSTITUTE THE ITEMIZED BID SHEETS MAY RESULT IN REJECTION OF THE BID.

ATTENTION BIDDERS: THE ADDENDUM ACKNOWLEDGEMENT IN THE BID DOCUMENTS MUST BE COMPLETED AND SUBMITTED WITH ALL BID PROPOSALS.

Sincerely,

Koi k. Wy

Kori Neely, P.E. Supervisor, Project Managers Project Development

JWK/BJG/bjg

Attachments: U.S. Federal Wage Rates - General Decision Number MO20220001 (03/04/2022), Approved Missouri American Water Company Permit Application and Plan of Adjustment, Revised Job Special Provision No. 100.70.3, Revised Construction Plan Sheets No. 2 & No. 4, Revised Itemized Bid Sheets No. 4, 5, and 12. "General Decision Number: MO20220001 03/04/2022

Superseded General Decision Number: MO20210001

State: Missouri

Construction Types: Heavy and Highway

Counties: Missouri Statewide.

HEAVY AND HIGHWAY CONSTRUCTION PROJECTS

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60).

If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022:	 Executive Order 14026 generally applies to the contract. The contractor must pay all covered workers at least \$15.00 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2022.
If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:	

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at https://www.dol.gov/agencies/whd/government-contracts.

d. PAID VACATION: 3 days paid vacation for 600 hours of service in any one contract year; 4 days paid vacation for 800 hours of service in any one contract year; 5 days paid vacation for 1,000 hours of service in any one contract year. When such an employee has completed 3 years of continuous employment with the same employer and then works the above required number of hours, he shall receive double the number of days of vacation specified above. When such an employee has completed 10 years of continuous employment with the same employer and then works the above required number of hours, he shall receive triple the number of days of vacation specified above. When such an employee has completed 15 years of continuous employment with the same employer and then works the above required number of hours, he shall receive 4 times the number of days of vacation specified above.

WELDERS - Receive rate prescribed for craft performing operation to which welding is incidental.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at

https://www.dol.gov/agencies/whd/government-contracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is

based.

SAM.gov

Addendum No. 1 Item No. 1

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

* an existing published wage determination

- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations Wage and Hour Division U.S. Department of Labor 200 Constitution Avenue, N.W. Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator U.S. Department of Labor 200 Constitution Avenue, N.W. Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board U.S. Department of Labor 200 Constitution Avenue, N.W. Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

END OF GENERAL DECISIO"

West Port Plaza Drive - Marine Avenue Resurfacing & West Port Plaza Drive Intersection Improvements St. Louis County Project Nos. AR-1548 & AR-1673 Federal Project Nos. STP-9900(673) & CMAQ-9901(638)

500.20.1 JOINT SEALANT FOR CONCRETE SIDEWALKS

The Contractor shall use NR-201, a one-part self-leveling, non-shrinking, aliphatic urethane sealant, or an approved equal for this work as directed by the Engineer. Installation requirements and product specifications may be found here:

SPECIAL CONDITIONS

All items indicated by (x) in the following shall be applicable to the work authorized under this permit.

- 1. Pre-construction Conference. Prior to commencement of work on the Project, Applicant shall request a pre-construction meeting by calling (314) 615-1150 (Construction Inspection).
- 2. Approved Plan. Applicant shall comply with the Project approved plan dated March 10, 2022, 2021. Applicant may request that such plan be modified, but no such modification shall be effective without approval by the Department of Transportation.
- 3. Temporary Construction Entrances. Applicant shall locate temporary construction entrances as specified in the permit documents.
- 4. <u>Temporary Construction Entrance Surfaces</u>. Applicant shall install temporary construction entrance surfaces consisting of eight-inch-thick Type 5 aggregate.
- 5. Encasement. Applicant Shall comply with encasement requirements of MSD or other applicable utilities.
- 6. A lane <u>Restrictions</u>. Applicant shall keep all lane(s) open during working hours with flagman/flagmen directing traffic. Applicant shall limit traffic movement restrictions to between the hours of <u>9:00 am</u> and <u>3:30 pm</u>. Applicant shall protect restricted lanes with barricades, cones and similar traffic control devices as per the approved permit documents. Applicant shall return all lanes to normal traffic flows after working hours.
- 7. Plumbing License. Applicant shall require that all appropriate plumbing related work be performed by a plumber or plumbing company, licensed and bonded by the County.
- 8. MoDOT, MSD. Applicant shall notify MoDOT and/or MSD upon receipt of this Special Use Permit.
- 9. Acceptance and Release. Within ten days of completion of the Project, Applicant shall submit a written request for County acceptance and for release of any applicable escrow or letter of credit.
- 10. Land Disturbance. Applicant shall perform all land disturbance in conformance with County land disturbance regulations, including siltation devices requirements. Applicant shall submit a Storm Water Pollution Prevention Plan (SWPPP) if applicable to the Project.
- 11. Restoration of Asphalt Driving Surface. In addition to the requirements of Standard Drawing C613.00, the contractor shall mill and overlay the full width of the impacted lane(s) or shoulders(s) for trench excavations that exceed 50 ft. longitudinally. When 5 ft. or less of pavement remains between the excavation and the nearest join or pavement edge, the contractor shall mill and overlay to the joint or pavement edge.
- 12. <u>Surety Bonds</u>. Applicant shall provide appropriate surety bonds as required by the Department of Transportation.
- 13. Certificate of Insurance. Any entity that performs work on St. Louis County maintained property shall provide the County with a Certificate of Insurance evidencing general liability coverage (bodily injury and property damage) in the amounts specified as the limits of liability set by the State for public entities. Such certificate shall include "St. Louis County" as an additional insured and shall be provided prior to the issuance of any permit. Certificate shall provide for a 30 day policy cancellation notice to St. Louis County. Upon request, the County will provide the specific amounts for both per person and per occurrence limits.
- 14. X Traffic Signal Facilities. Applicant shall use extreme caution in areas where traffic signal facilities are existing. It is the responsibility of the contractor/developer to contact the St. Louis County Department of Transportation at (314) 615-0215 a minimum of 48 hours in advance of construction work for locating and spotting existing traffic signal conduit. In the event the contractor damages any traffic signal facilities, repairs shall be made at the contractor's expense by an electrical contractor as directed by St. Louis County.
- 15. Temporary Pedestrian Access. Continuous pedestrian access shall be provided during the construction process. Prior to the start of construction, adequate pedestrian access pround the site shall be provided and verified. No existing sidewalk shall be removed without providing adequate pedestrian facilities and routes during construction convines.

ST. LOUIS COUNTY

SPECIAL USE PERMIT GENERAL PROVISIONS

DEFINITIONS

For purposes of this Application, the terms are defined as follows:

- 1) <u>Applicant</u>. The person (individual or artificial entity) that controls the property or the project authorized by this SUP. If Applicant uses a Contractor, the term "Applicant" includes the term "Contractor".
- 2) <u>Contractor</u>. The person (individual or artificial entity) that performs the work authorized by this SUP.
- 3) County. St. Louis County, Missouri.
- 4) Department. The St. Louis County Department of Transportation.
- 5) Director. The Director of the Department or his / her designee.
- 6) <u>Project</u>. The work performed by Applicant pursuant to this SUP.
- 7) SUP. This Special Use Permit.

TERMS AND CONDITIONS

By submitting this application, the Applicant agrees to comply with all obligations, requirements, terms and conditions contained in the General and Special Conditions contained in this application. Except in those instances and to the extent that Applicant makes a good faith determination that an emergency exists, Applicant shall perform no work on a Project prior to issuance of an SUP. If Applicant fails to comply with any General or Special Condition, County may suspend or revoke this SUP. If Applicant wishes to request an exemption from, or a modification of, any General or Special Condition, Applicant or Special Condition No. 4, titled "Variance Procedure".

GENERAL CONDITIONS

- 1) Notification. Applicant shall notify County at least 48 hours in advance that work will start on the Project. In non-emergency situations, Applicant shall provide such notice by contacting the Permit Inspection Section of the Department at (314) 615-1166 or by email to the following address: Highways-Permit-Inspection@stlouisco.com. In emergency situations, Applicant shall provide such notice by calling the applicable number listed in County's Special Use Permit Booklet, Requirements and Conditions. Applicant shall not commence any work prior to such notification, except in emergency situations.
- 2) <u>Utilities Locates</u>. Applicant shall be responsible to request the location of all utilities, including traffic signal interconnect and facilities, prior to performing any work. Applicant shall call the Department at (314) 615-0215 for traffic signal facility locates, a minimum of 72 hours in advance of any work, except in the case of emergencies.
- 3) <u>Performance</u>. Applicant shall perform all work in a workmanlike manner, without unreasonable delay, and in full compliance with this SUP.

2/22/2018

Page 2 of 5

- 4) <u>Variance Procedure</u>. If Applicant has a good faith belief that a General or Special Condition, in whole or in part, should not apply to the Project or to the Applicant, Applicant shall file contemporaneously with this SUP application a "Variance Application" (see Exhibit "A", attached hereto) for an exemption or modification of such condition. The Variance Application shall contain a full explanation of the reasons in support of the request and all other relevant information requested on the Variance Application. The Director will respond to the Applicant by granting or denying the request in whole or in part, without undue delay.
- 5) Indemnification. Applicant shall defend, indemnify and hold harmless the County, its officers and employees, whether based on a claim for real or personal property, or to a person, for any and all damages arising from the negligence or intentional tort of said Applicant or its subcontractors in constructing, extending, restoring or maintaining its facilities within, upon or across a County owned easement or right-of-way. Additionally, for a period of six months from the completion of such work or use, Applicant will save the County harmless from any cost or expense occasioned or required in the refilling, repairing, or restoring of said easement or right-of-way, for such period, due to or occasioned by such use, excavation or encroachment.
- 6) Insurance Coverage. The applicant shall provide the County with a Certificate of Insurance, evidencing insurance coverages to current County requirements for any entity that performs work in County right-of-way associated with this application. Such certificates shall name "St. Louis County" as additional insured and shall be provided prior to the issuance of any permit. Upon request, County will provide specific amounts for coverages. Applicant will require all of its contractors and subcontractors to add St. Louis County as an additional insured; and provide copies of contractors' and subcontractors' Certificates of Insurance to County, prior to the commencement of work under this Permit by the contractor and/or subcontractor.
- 7) <u>Signs, Barricades, Flagmen</u>. While work is being performed in County right-of-way, Applicant shall comply with the most recent version of the Manual of Uniform Traffic Control Devices (MUTCD).
- Vertical Clearance. Applicant shall maintain a vertical clearance for overhead installations of not less than 16 feet, 6 inches from the road surface.
- 9) <u>Cover for Underground Facilities</u>. At the time of installation, Applicant shall provide the following minimum cover for underground facilities, unless approved through the <u>Variance Procedure</u>: 42 inches for waterlines, 24 inches for parallel telephone cables, 18 inches for gas service lines, 24 inches for gas mains, and 30 inches for all other underground installations.
- 10) <u>Covers or Guards</u>. Applicant shall provide covers or guards as approved by Director for cable, wire, small diameter pipe and other objects that extend above the surface.
- 11) <u>Mud, Debris</u>. Applicant shall keep pavements clear of mud and debris, and keep ditches, culverts and other areas that convey surface water, open and free from mud and debris.
- 12) <u>Pavement Crossings/Openings</u>. The Project shall not include open cut of any paved portion of the right-of-way unless such open cuts are limited to time periods designated in paragraph 13, "<u>Lane Interruption/Traffic Stream</u>". The Director may prohibit open cuts or impose additional limits if, after considering all relevant factors, the Director makes a good faith determination that such open cuts will result in an unreasonable disruption of the traffic stream.
- 13) <u>Restoration of Asphalt Driving Surface</u>. In addition to the requirements of Standard Drawing C613.00, the contractor shall mill and overlay the full width of the impacted lane(s) or shoulder(s) for trench excavations that exceed 50 feet longitudinally. When 5 feet or less of pavement remains between the excavation and the nearest joint or pavement edge, the contractor shall mill and overlay to the joint or pavement edge.
- 14) <u>Disturbed Paved Right-of-Way</u>. At the completion of the Project, Applicant shall restore the paved right-of-way and any improvements thereon, to as good condition as before the Project, and keep and maintain such paved right-of-way in such condition for a period of six months. Applicant shall replace

2/22/2018

Page 3 of 5

the subgrade and surface with like kind materials. Applicant shall fill all voids and pavement openings with granular backfill, which shall be compacted to comply with Standard Specification for Road and Bridge Construction, Section 726.6.3. Applicant shall make final pavement repairs within thirty days of completed temporary pavement work. If within six months of the completion of the Project, the paved right-of-way fails to remain in as good condition as before the Project, applicant shall repair such right-of-way to effect such compliance.

- **15)** <u>Lane Interruption / Traffic Stream</u>. In non-emergency situations, the Project shall not interrupt the traffic stream between the hours of 6:00 am to 9:00 am and 3:30 pm to 6:30 pm.
- 16) <u>Disturbed Unpaved Right-of-Way</u>. All disturbed unpaved areas of the right-of-way shall be regraded, and vegetation restored to as good a condition as before the Project.
- 17) <u>Manholes</u>. Applicant shall conform utility boxes, valve boxes, manhole frame covers or any utility appurtenances to the transverse and longitudinal pavement slope, and make the top comply with the finished grade.
- 18) <u>Trees, Shrubs and Turf</u>. Applicant shall make all reasonable efforts not to cut, spray or damage trees, shrubs or turf in County right-of-way. If any such trees, shrubs or turf are damaged, Applicant shall restore or replace such items as is reasonable.
- 19) <u>Disturbed Driveways and Sidewalks</u>. Applicant shall repair or replace all subgrade, sidewalks, driveway approaches and associated drainage facilities that Applicant damages or removes with like kind materials. When Applicant disturbs 50% or more of a slab of a concrete driveway or sidewalk, Applicant shall replace such slab with a full slab. Applicant shall replace all paved improvements at the same depth as before the Project.
- 20) <u>Private Facilities</u>. If Applicant damages or removes privately owned facilities lawfully located within County right-of-way, Applicant shall immediately notify the owner, and repair or replace such facilities as soon as practical. Applicant will address any dispute with owners of private facilities as a civil matter arising in the course of business.
- 21) <u>Storage</u>. Applicant shall not store construction material or equipment on County right-of-way, if Applicant owns or controls property used for such storage within 500 feet of the Project. In any case, Applicant shall not store construction material or equipment if such storage impedes traffic or property access, or creates a sight distance hazard. Within thirty days after completion of the Project, Applicant shall restore all storage areas to as good a condition as before the Project.
- 22) <u>Costs</u>. Applicant shall bear all non-reimbursable costs of construction, maintenance, removal, repair and related costs associated with this SUP.
- 23) <u>Pedestrian Right-of-Way Obstruction</u>. Applicant work that closes, or impedes pedestrian traffic shall comply with the Manual of Uniform Traffic Control Devices (MUTCD).
- 24) <u>Trenches</u>. Applicant shall keep all trenches in right-of-way covered and protected during non-working hours. At the completion of the Project, all trenches within three feet of or under existing or future (programmed) pavement shall be backfilled with granular material.
- 25) <u>Landscaping and Monuments</u>. Applicant shall not install landscaping or entrance monuments unless replacing existing landscaping or monuments as specified by this SUP.
- 26) <u>Fill Material</u>. Applicant shall use fill material that consists of uncontaminated inert materials (soil, rock, concrete, asphaltic concrete, sand and similar materials). Applicant shall not allow materials such as wood, metals, plastics, textiles and hydrocarbons as fill material. Applicant shall report to appropriate federal, state or local officials the existence of any material subject to applicable reporting requirements.

Exhibit "A"

Application for Variance

SUP No.

By filing this Application with County, Applicant represents that it has a good faith belief that the General Conditions (GC) and/or Special Conditions (SC) specified below should not apply, in whole or in part, to Applicant's Project. Furthermore, Applicant affirms that the information contained herein, and the reasons stated herein, are true to the best of Applicant's knowledge and belief.

GC No._____

Reasons why GC should not apply:

1)	
2)	
3)	
SC No	
Reasons	why SC should not apply:
1)	

- 2)
- 3)

(See attached pages for requests for variances for additional GCs and SCs.)

Attached are all plans and documents that support Applicant's request for variance, including plans and documents relating to duration and extent of any adverse effect on traffic stream.

Approved:

(Applicant)

(St. Louis County Department of Transportation)

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BUSINESS AUTO EXTENSION ENDORSEMENT

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

GENERAL DESCRIPTION OF COVERAGE – This endorsement broadens coverage. However, coverage for any injury, damage or medical expenses described in any of the provisions of this endorsement may be excluded or limited by another endorsement to the Coverage Part, and these coverage broadening provisions do not apply to the extent that coverage is excluded or limited by such an endorsement. The following listing is a general coverage description only. Limitations and exclusions may apply to these coverages. Read all the provisions of this endorsement and the rest of your policy carefully to determine rights, duties, and what is and is not covered.

- A. BROAD FORM NAMED INSURED
- **B. BLANKET ADDITIONAL INSURED**
- C. EMPLOYEE HIRED AUTO
- D. EMPLOYEES AS INSURED
- E. SUPPLEMENTARY PAYMENTS INCREASED LIMITS
- F. HIRED AUTO LIMITED WORLDWIDE COV-ERAGE - INDEMNITY BASIS
- G. WAIVER OF DEDUCTIBLE GLASS

PROVISIONS

A. BROAD FORM NAMED INSURED

The following is added to Paragraph A.1., Who is An Insured, of SECTION II - COVERED AUTOS LIABILITY COVERAGE:

Any organization you newly acquire or form during the policy period over which you maintain 50% or more ownership interest and that is not separately insured for Business Auto Coverage. Coverage under this provision is afforded only until the 180th day after you acquire or form the organization or the end of the policy period, whichever is earlier.

B. BLANKET ADDITIONAL INSURED

The following is added to Paragraph c. in A.1., Who is An Insured, of SECTION II - COVERED AUTOS LIABILITY COVERAGE:

Any person or organization who is required under a written contract or agreement between you and that person or organization, that is signed and executed by you before the "bodily injury" or "property damage" occurs and that is in effect during the policy period, to be named as an additional insured is an "insured" for Covered Autos Liability Coverage, but only for damages to which

- H. HIRED AUTO PHYSICAL DAMAGE LOSS OF USE - INCREASED LIMIT
- I. PHYSICAL DAMAGE TRANSPORTATION EXPENSES – INCREASED LIMIT
- J. PERSONAL PROPERTY
- K. AIRBAGS
- L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS
- M. BLANKET WAIVER OF SUBROGATION
- N. UNINTENTIONAL ERRORS OR OMISSIONS

this insurance applies and only to the extent that person or organization qualifies as an "insured" under the Who Is An Insured provision contained in Section II.

C. EMPLOYEE HIRED AUTO

1. The following is added to Paragraph A.1., Who is An Insured, of SECTION II – COV-ERED AUTOS LIABILITY COVERAGE:

An "employee" of yours is an "insured" while operating an "auto" hired or rented under a contract or agreement in an "employee's" name, with your permission, while performing duties related to the conduct of your business.

- The following replaces Paragraph b. in B.5., Other Insurance, of SECTION IV – BUSI-NESS AUTO CONDITIONS:
 - b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:
 - Any covered "auto" you lease, hire, rent or borrow; and
 - (2) Any covered "auto" hired or rented by your "employee" under a contract in an "employee's" name, with your

CA T3 53 02 15

permission, while performing duties related to the conduct of your business.

However, any "auto" that is leased, hired, rented or borrowed with a driver is not a covered "auto".

D. EMPLOYEES AS INSURED

The following is added to Paragraph A.1., Who Is An Insured, of SECTION II – COVERED AUTOS LIABILITY COVERAGE:

Any "employee" of yours is an "insured" while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs.

- E. SUPPLEMENTARY PAYMENTS INCREASED LIMITS
 - 1. The following replaces Paragraph A.2.a.(2), of SECTION II – COVERED AUTOS LIABIL-ITY COVERAGE:
 - (2) Up to \$3,000 for cost of bail bonds (including bonds for related traffic law violations) required because of an "accident" we cover. We do not have to furnish these bonds.
 - 2. The following replaces Paragraph A.2.a.(4), of SECTION II – COVERED AUTOS LIABIL-ITY COVERAGE:
 - (4) All reasonable expenses incurred by the "insured" at our request, including actual loss of earnings up to \$500 a day because of time off from work.
- F. HIRED AUTO LIMITED WORLDWIDE COV-ERAGE - INDEMNITY BASIS

The following replaces Subparagraph (5) in Paragraph B.7., Policy Period, Coverage Territory, of SECTION IV – BUSINESS AUTO CONDI-TIONS:

(5) Anywhere in the world, except any country or jurisdiction while any trade sanction, embargo, or similar regulation imposed by the United States of America applies to and prohibits the transaction of business with or within such country or jurisdiction, for Covered Autos Liability Coverage for any covered "auto" that you lease, hire, rent or borrow without a driver for a period of 30 days or less and that is not an "auto" you lease, hire, rent or borrow from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company) or members of their households.

- (a) With respect to any claim made or "suit" brought outside the United States of America, the territories and possessions of the United States of America, Puerto Rico and Canada:
 - (i) You must arrange to defend the "insured" against, and investigate or settie any such claim or "suit" and keep us advised of all proceedings and actions.
 - (II) Neither you nor any other involved "insured" will make any settlement without our consent.
 - (III) We may, at our discretion, participate in defending the "insured" against, or in the settlement of, any claim or "suit".
 - (Iv) We will reimburse the "insured" for sums that the "insured" legally must pay as damages because of "bodily injury" or "property damage" to which this insurance applies, that the "insured" pays with our consent, but only up to the limit described in Paragraph C., Limits Of Insurance, of SECTION II - COVERED AUTOS LIABILITY COVERAGE.
 - (v) We will reimburse the "insured" for the reasonable expenses incurred with our consent for your investigation of such claims and your defense of the "insured" against any such "suit", but only up to and included within the limit described in Paragraph C., Limits Of Insurance, of SECTION II - COVERED AUTOS LIABILITY COVERAGE, and not in addition to such limit. Our duty to make such payments ends when we have used up the applicable limit of insurance in payments for damages, settlements or defense expenses.
- (b) This insurance is excess over any valid and collectible other insurance available to the "insured" whether primary, excess, contingent or on any other basis.
- (c) This insurance is not a substitute for required or compulsory insurance in any country outside the United States, its territories and possessions, Puerto Rico and Canada.

Page 2 of 4

COMMERCIAL AUTO

You agree to maintain all required or compulsory insurance in any such country up to the minimum limits required by local law. Your failure to comply with compulsory insurance requirements will not invalidate the coverage afforded by this policy, but we will only be liable to the same extent we would have been liable had you complied with the compulsory insurance requirements.

(d) It is understood that we are not an admitted or authorized insurer outside the United States of America, its territories and possessions, Puerto Rico and Canada. We assume no responsibility for the furnishing of certificates of insurance, or for compliance in any way with the laws of other countries relating to insurance.

G. WAIVER OF DEDUCTIBLE - GLASS

The following is added to Paragraph D., Deductible, of SECTION III – PHYSICAL DAMAGE COVERAGE:

No deductible for a covered "auto" will apply to glass damage if the glass is repaired rather than replaced.

H. HIRED AUTO PHYSICAL DAMAGE - LOSS OF USE - INCREASED LIMIT

The following replaces the last sentence of Paragraph A.4.b., Loss Of Use Expenses, of SEC-TION III – PHYSICAL DAMAGE COVERAGE:

However, the most we will pay for any expenses for loss of use is \$65 per day, to a maximum of \$750 for any one "accident".

I. PHYSICAL DAMAGE - TRANSPORTATION EXPENSES - INCREASED LIMIT

The following replaces the first sentence in Paragraph A.4.a., Transportation Expenses, of SECTION III – PHYSICAL DAMAGE COVER-AGE:

We will pay up to \$50 per day to a maximum of \$1,500 for temporary transportation expense incurred by you because of the total theft of a covered "auto" of the private passenger type.

J. PERSONAL PROPERTY

The following is added to Paragraph A.4., Coverage Extensions, of SECTION III – PHYSICAL DAMAGE COVERAGE:

Personal Property

We will pay up to \$400 for "loss" to wearing apparel and other personal property which is:

(1) Owned by an "insured"; and

(2) In or on your covered "auto".

This coverage applies only in the event of a total theft of your covered "auto".

No deductibles apply to this Personal Property coverage.

K. AIRBAGS

The following is added to Paragraph B.3., Exclusions, of SECTION III – PHYSICAL DAMAGE COVERAGE:

Exclusion 3.a. does not apply to "loss" to one or more airbags in a covered "auto" you own that inflate due to a cause other than a cause of "loss" set forth in Paragraphs A.1.b. and A.1.c., but only:

- a. If that "auto" is a covered "auto" for Comprehensive Coverage under this policy;
- b. The airbags are not covered under any warranty; and
- c. The airbags were not intentionally inflated.

We will pay up to a maximum of \$1,000 for any one "loss".

L. NOTICE AND KNOWLEDGE OF ACCIDENT OR LOSS

The following is added to Paragraph A.2.a., of SECTION IV – BUSINESS AUTO CONDITIONS: Your duty to give us or our authorized representa-

tive prompt notice of the "accident" or "loss" applies only when the "accident" or "loss" is known to:

- (a) You (if you are an individual);
- (b) A partner (if you are a partnership);
- (c) A member (if you are a limited liability company);
- (d) An executive officer, director or insurance manager (if you are a corporation or other organization); or
- (e) Any "employee" authorized by you to give notice of the "accident" or "loss".

M. BLANKET WAIVER OF SUBROGATION

The following replaces Paragraph A.5., Transfer Of Rights Of Recovery Against Others To Us, of SECTION IV – BUSINESS AUTO CONDI-TIONS:

5. Transfer Of Rights Of Recovery Against Others To Us

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract signed and executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of operations contemplated by

CA T3 53 02 15

such contract. The waiver applies only to the person or organization designated in such contract.

N. UNINTENTIONAL ERRORS OR OMISSIONS

The following is added to Paragraph B.2., Concealment, Misrepresentation, Or Fraud, of SECTION IV – BUSINESS AUTO CONDITIONS: The unintentional omission of, or unintentional error in, any information given by you shall not prejudice your rights under this insurance. However this provision does not affect our right to collect additional premium or exercise our right of cancellation or non-renewal.

COMMERCIAL GENERAL LIABILITY ISSUE DATE:

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – DESIGNATED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following: COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name of Additional Insured Person(s) or Organization(s):

Any person or organization that you agreed in a written contract or agreement to include as an additional insured on this Coverage Part, provided that such written contract or agreement was signed by you before, and is in effect when, the "bodily injury" or "property damage" occurs or the "personal and advertising injury" offense is committed and only for the limits of insurance agreed to in such written contract or agreement, or the limits of insurance of this policy, whichever is less.

Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage", "personal injury" or "advertising injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

A. In the performance of your ongoing operations; or

B. In connection with your premises owned by or rented to you.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

DESIGNATED PERSON OR ORGANIZATION – NOTICE OF CANCELLATION PROVIDED BY US

This endorsement modifies insurance provided under the following: ALL COVERAGE PARTS INCLUDED IN THIS POLICY

SCHEDULE

CANCELLATION:

Number of Days Notice: 30

PERSON OR ORGANIZATION:

ANY PERSON OR ORGANIZATION TO WHOM YOU HAVE AGREED IN A WRITTEN CONTRACT THAT NOTICE OF CANCELLATION OF THIS POLICY WILL BE GIVEN, BUT ONLY IF:

1. YOU SEND US A WRITTEN REQUEST TO PROVIDE SUCH NOTICE, INCLUDING THE NAME AND ADDRESS OF SUCH PERSON OR ORGANIZATION, AFTER THE FIRST NAMED INSURED RECEIVES NOTICE FROM US OF THE CANCELLATION OF THIS POLICY; AND 2. WE RECEIVE SUCH WRITTEN REQUEST AT LEAST 14 DAYS BEFORE THE BEGINNING OF THE APPLICABLE NUMBER OF DAYS SHOWN IN THIS ENDORSEMENT

ADDRESS:

THE ADDRESS FOR THAT PERSON OR ORGANIZATION INCLUDED IN SUCH WRITTEN REQUEST FROM YOU TO US.

PROVISIONS

If we cancel this policy for any legally permitted reason other than nonpayment of premium, and a number of days is shown for Cancellation in the Schedule above, we will mail notice of cancellation to the person or organization shown in such Schedule. We will mail such notice to the address shown in the Schedule above at least the number of days shown for Cancellation in such Schedule before the effective date of cancellation.

T.B.D.

T.B.D. (During Construction)

- 1. St. Louis County does not warrant that the above listing or the depiction of utility lines of facilities on other bidding documents are complete or accurately reflect either all utilities or their precise locations within or adjacent to the project limits or the status of any relocation work. It is therefore, the responsibility of the contractor to verify the above listing information indicating existence, location, and status of any facility. Such verification includes direct contact with the listed utilities. Coordination regarding subsurface exploration (potholing) and/or coordination regarding the adjustment or relocation of facilities may be required, as determined by the Engineer.
- B. Conflicts/Resolutions
 - 1. Ameren Missouri has advised us that the existing power poles at approximate Sta. 14+00 (Rt.) and Sta. 18+00 (Rt.) and a power pedestal at Sta. 27+62 (Rt.) will be in conflict with the proposed roadway improvements. A plan of adjustment has been provided and approved for relocation of the said power poles. A copy of this plan of adjustment has been included at the rear of the construction plans for reference.

West Port Plaza Drive - Marine Avenue Resurfacing & West Port Plaza Drive Intersection Improvements St. Louis County Project Nos. AR-1548 & AR-1673 Federal Project Nos. STP-9900(673) & CMAQ-9901(638)

Ameren Missouri has also advised us that several existing roadway light poles along the west side (right side) of West Port Plaza Drive from Sta. 17+00 (Rt.) to Sta. 42+00 (Rt.) will also be in conflict with the proposed roadway improvements. A plan schematic and electrical details have been provided by Ameren; which detail the Contractor installing the light pole foundations, Ameren supplied pull boxes, and conduit. Ameren will be responsible for erecting the new light poles, installing the wire, and inserting the new LED lights. Lighting plans have been generated based on this information and included in the construction plans. An original copy of Ameren's plan schematic has been included at the rear of the construction plans for reference.

Ameren was provided an update regarding the project's construction schedule on December 10, 2021 (after the completion of condemnation proceedings and certification of right of way).

2. AT&T has advised us that an existing fiber optic vault at approximate Sta. 19+55 (Lt.) will be in conflict with the proposed roadway improvements. A plan of adjustment has been provided and approved for this conflict. A copy of this plan of adjustment has been included at the rear of the construction plans for reference.

The relocation of AT&T's vault has already been completed.

AT&T was provided an update regarding the project's construction schedule on December 10, 2021 (after the completion of condemnation proceedings and certification of right of way).

3. Bluebird has advised us that they have existing fiber optic lines that run along the east side (left side) of West Port Plaza Drive from the West Port Plaza Drive/World Wide Way intersection to the West Port Plaza Drive/Progress Parkway intersection. Depth information has been provided for an analysis of potential conflicts by the project design consultant; with no known conflicts noted. A copy of this as-built depth information has been included at the rear of the construction plans for reference.

Bluebird was provided an update regarding the project's construction schedule on December 10, 2021 (after the completion of condemnation proceedings and certification of right of way).

- 4. Missouri American Water Company (MAWC) has advised us that there are fire hydrants at the following locations that will be in conflict with the proposed roadway improvements:
 - West side (right side) of West Port Plaza Drive: Approx. Stations 18+50, 22+25, 26+55.
 - East side (left side) of West Port Plaza Drive: Approx. Station 29+25.
 - North side (left side) of Westline Industrial Drive: Approx. Station 111+00.

West Port Plaza Drive - Marine Avenue Resurfacing & West Port Plaza Drive Intersection Improvements St. Louis County Project Nos. AR-1548 & AR-1673 Federal Project Nos. STP-9900(673) & CMAQ-9901(638)

MAWC has also advised us that fifty (50) feet of 12-inch watermain will be in conflict with the proposed storm sewer modifications along West Port Plaza Drive near the West Port Plaza Drive/World Wide Way intersection. In addition, MAWC will be replacing an additional 1,320 feet of that same 12-inch watermain from I-270 to Fee Fee Road for maintenance purposes.

A plan of adjustment has been provided and approved for these conflicts. A copy

of this plan of adjustment has been included at the rear of the construction plans for reference.

Water valve adjustments will be needed at various locations throughout the project limits (see construction plans for locations).

MAWC has also advised us of several private service lines at the following locations that are not owned or maintained by MAWC:

- Southwest corner of the West Port Plaza Drive/World Wide Way intersection: 8" service line, vault, and small service line. Suggest locating facilities prior to placement of signal base.
- Approx. Sta. 20+20 (crossing proposed storm sewer between drainage structures 1/3 and 1/4: 4" private service line. Suggest locating facilities prior to installation of storm sewer.
- Vicinity of drainage structure 1/2.1: 4" private service line. Suggest locating facilities prior to installation of storm sewer.
- Southwest corner of the West Port Plaza Drive/Progress Parkway intersection: 8" service line. Suggest locating facilities prior to adjustment/relocation of water valves.

MAWC was provided an update regarding the project's construction schedule on December 10, 2021 (after the completion of condemnation proceedings and certification of right of way).

5. MCI/Verizon has advised us that they have 3 handholes at the West Port Plaza Drive/Westline Industrial Drive intersection that will be in conflict with the proposed roadway improvements. Via an on-site meeting with an MCI/Verizon representative, it was determined that these handholes could be adjusted during construction with minimal construction delays. A plan of adjustment has been provided and approved for these conflicts. A copy of this plan of adjustment has been included at the rear of the construction plans for reference.

MCI/Verizon was provided an update regarding the project's construction schedule on December 10, 2021 (after the completion of condemnation proceedings and certification of right of way).

Revision /#1

6. Sprint has advised us that their fiber optic facilities are located within AT&T's duct banks; which enter the fiber optic vault noted in Item #2 above. No plan of adjustment has been provided.

The adjustment of Sprint's facilities has already been completed (during the relocation of AT&T's vault).

Sprint was provided an update regarding the project's construction schedule on December 10, 2021 (after the completion of condemnation proceedings and certification of right of way).

- 7. Spire has very recently advised us that there are 2 loss of grade conflicts with a 4" I.P. Main at the following locations:
 - World Wide Way Station 10+50 Rt.
 - Progress Parkway Entrance Station 244+21 Rt.

Spire has also advised us that there are no conflicts with an 8" Header Main and its branches that are present within the work area. Despite this provided information, the Contractor should note that construction of the proposed improvements may impact Spire's facilities at the following locations:

- West Port Plaza Drive Station 19+00 Rt. installation of proposed curb inlet #2-2 and the proposed storm sewer pipe from existing curb inlet #2-3 to proposed curb inlet #2-2 on World Wide Way.
- West Port Plaza Drive Station 37+75 Rt. & Station 39+00 Rt. construction of the new pavement, concrete curb, and appurtenances on the 2 western quadrants of the West Port Plaza Drive/Westline Industrial Drive intersection.

Subsurface exploration (potholing) and/or coordination regarding adjustment or relocation of these facilities may be required.

Gas valve adjustments will be needed at various locations throughout the project limits (see construction plans for locations).

Spire was provided an update regarding the project's construction schedule on December 10, 2021 (after the completion of condemnation proceedings and certification of right of way).

8. The Missouri Department of Transportation (MoDOT) has advised that they have existing Intelligent Transportation System (ITS) facilities along Interstate 270. Utility locates will need to be requested via Missouri One-Call to verify the location of said facilities prior to construction. Please refer to Job Special Provision Nos. 900.30.22, 1200.90.6, and 1200.90.18 for additional information/requirements regarding the potential relocation of MoDOT ITS facilities.

- 9. Everstream has very recently advised us that they have existing facilities along the north side of West Port Plaza Drive from Glenmeade Drive to Fee Fee Road. Despite receiving limited installation depth information and a no conflict response, the Contractor should note that construction of the proposed improvements may impact Everstream's facilities at the following locations:
 - West Port Plaza Drive Station 19+19 Lt. installation of proposed traffic signal equipment may require the relocation of Everstream's facilities.
 - West Port Plaza Drive Station 20+00 Lt. installation of a proposed hydrodynamic separator and storm sewer structures/pipes may require the relocation of Everstream's facilities.
 - West Port Plaza Drive Station 19+19 Lt. to Station 26+50 Lt. earthwork/grading due to the widening of West Port Plaza Drive will likely reduce the depth of Everstream's facilities.

Subsurface exploration (potholing) and/or coordination regarding adjustment or relocation of these facilities may be required.

Everstream was provided an update regarding the project's construction schedule on January 25, 2022.

- C. The contractor agrees that any effects of the presence of the utilities, their relocation, contractor's coordination of work with the utilities and any delay in utility relocation shall not be compensable as a suspension of work, extra work, a change in the work, as a differing site condition or otherwise including, but without limitation, delay, impact, incidental or consequential damages. The contractor's SOLE REMEDY for the effects of the presence of utilities, delay in their relocation or any other effects shall be an excusable delay as provided in Section 105.7.3. The contractor waives, for itself, its subcontractors and suppliers the compensability of the presence of utilities, delay in their relocation, and any cost to the contractor, its subcontractors, and suppliers in any claim or action arising out of or in relation to the work under the contract.
 - 1. The contractor's Work Schedule, required by Section 107.5.1 of the St. Louis County Standard Specifications for Road and Bridge Construction, shall reflect coordination of the contractor's work with that of utility relocation including, without limitation, all dependencies of the contractor's or its subcontractor's work upon relocation of utility lines and facilities and the effects of the utility relocations on the required order of work provided in other parts of the contract documents.
 - 2. The contractors shall be solely responsible and liable for incidental and consequential damages, to any utility facilities or interruption of the service caused by it or its subcontractor's operations. The contractor shall hold and save harmless St. Louis County from all damages to any utility facilities or interruption of service by it or its subcontractors' operations.
 - 3. No direct payment will be made for the contractor's compliance with above special provision.

West Port Plaza Drive - Marine Avenue Resurfacing & West Port Plaza Drive Intersection Improvements St. Louis County Project Nos. AR-1548 & AR-1673 Federal Project Nos. STP-9900(673) & CMAQ-9901(638)

- 4. The requirements of this Special Provision are in addition to or supplement to Sections 105.7 through 105.7.6 of the Specifications and are not a replacement of them except, unless and only to the extent there is direct conflict between these provisions and those of the Specifications.
- D. It is the responsibility of the Contractor and sub-contractors performing work to contact the Missouri One Call System, Inc. at 1-800-344-7483 (and also St. Louis County Operations Division about signal and/or lighting conduit at 314-615-0215) at least two (2) full working days, but not more than ten (10) working days, before commencing the excavation activity, as per Missouri State Law. The Contractor requesting the locations shall provide all utilities with the project number and area. He shall also specify on which streets construction will be performed and what dates it will begin. If only parts of a street are to be done, the Contractor shall provide street segments affected between the closest intersections. Specific start dates must be given for each street so all utilities can schedule the field locations.
- E. It shall be noted by the contractor that MoDOT is a member of Missouri One Call (800 Dig Rite). Some work on this project may be in the vicinity of MoDOT utility facilities, which includes but is not limited to traffic signal cables, highway lighting conduits, ITS cables, cathodic protection cables, etc. Prior to beginning work, the contractor shall request locates from Missouri One Call. The contractor shall also complete the Notice of Intent to Perform Work form located at the Missouri Department of Transportation website:

https://www.modot.org/notice-intent

The contractor shall submit the form over the web (preferred method) or by fax to the numbers on the printed form. The notice must be submitted a minimum of 2 and a maximum of 10 working days prior to excavation just as Missouri One Call requires.
