

## ADVERTISEMENT FOR BID #4619

Notice is hereby given that the City of St. Charles will receive sealed proposals at City Hall, Engineering Office, 200 North Second Street, St. Charles, Missouri until **2:00 p.m.** local time, on **August 18, 2022** at which time all bids for the Zumbahl Road Culvert Replacement Project will be publicly opened and read.

This project will consist of replacement of existing corrugated metal pipe under Zumbahl Road with a 4 Cell 11' x 12' Reinforced Concrete Box Culvert. The project also includes pavement replacement, proposed 5' sidewalk and 10' trail, storm sewer work, fiber relocation, and water main replacement.

Plans and specifications are now on file at <https://planroom.drexeltech.com>. Plans and specifications can be downloaded or ordered from this site for the fee listed online.

A mandatory pre-bid meeting will be held at St. Charles City Hall, Conference Room A, on **July 29, 2022 at 9:00 AM.** Virtual accommodations will be made for those who cannot attend in-person. For a link to the Zoom meeting, please contact Kierstyn Lorince at [Kierstyn.Lorince@stcharlescitymo.gov](mailto:Kierstyn.Lorince@stcharlescitymo.gov).

All bidder questions are due by 3:00 pm on August 11, 2022.

The bid proposal shall be made on a form of proposal, provided in the specifications and delivered in a sealed envelope clearly marked on the outside **Bid No. 4619** to the Engineering Office on or before the time specified above. No facsimiles will be accepted. The proposal shall be accompanied by a bid bond, certified check or cashier's check of a bank or trust company in St. Charles County, City of St. Charles, St. Louis County, or in the City of St. Louis for an amount not less than five (5%) percent of the bid amount. The amount of the check shall be forfeited to the City if the bidder neglects or refuses to enter into a contract or to furnish bond after their proposal has been accepted.

All labor used in the construction of this public improvement shall be paid a wage no less than the prevailing hourly rate of wages of work of a similar character in this locality as established by the Department of Labor and Industrial Relations (Federal Wage Rate), or state wage rate, whichever is higher.

The City of St. Charles hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, businesses owned and controlled by socially and economically disadvantaged individuals will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, religion, creed, sex, age, ancestry, or national origin in consideration for an award. The City does not discriminate against any person because of race, color, religion, sex, handicap, familial status, or national origin.

All bidders must be on MoDOT's Qualified Contractor List per Section 102.2 from the current version of the Missouri Standard Specifications for Highway Construction, including all revisions. The contractor questionnaire must be on file 7 days prior to bid opening.

Contractors and subcontractors who sign a contract to work on public works projects must provide a 10-Hour OSHA construction safety program, or similar program approved by the Department of Labor and Industrial Relations, to be completed by their on-site employees within sixty (60) days of beginning work on the construction project.

The City reserves the right to reject any and all bids, offers, or proposals submitted, or to advertise for new bids with the MoDOT's concurrence. The City reserves the right to defer the acceptance of any proposal and the execution of a contract for a period not exceeding one hundred twenty (120) days after the date of opening of the bids. The successful bidder to whom the contract has been awarded shall sign the contract and performance bond and other required certificates in triplicate and return the signed documents within fifteen (15) days after the date of their receipt.

The DBE Goal for this project is **14%**.

No 2<sup>nd</sup> tier subcontracting will be allowed on this project.

The successful bidder and contractor will be furnished, without cost, not more than three (3) sets of plans and specifications for the project. If more are requested, additional sets will be furnished at a nominal charge. Any plans and specifications required for permits by a municipality or other public agency will be furnished by the City.
